BOARD REPORT JANUARY 2018

CALLS FOR SERVICE

During the month of December, 2017 Wingham Police responded to 106 calls for service 5 of those calls were assisting the OPP and 2 of those calls were actual dispatches to OPP area. During the same period in 2016, we had 115 calls. Attached is the crime statistics summary for the third quarter of 2017.

BUILDING PROBLEMS

Garage door has been repaired. Still no word on the roof repair.

COMMUNITY PRESENTATIONS

A citizenship/law presentation was given to both grade 12 civics classes at F.E. Madill on 9 Jan 18.

A fraud presentation was given to the St Andrews Church "Coffee Club" on 11 Jan 18.

SERVICE FIREARMS

The side arms used by the service are getting old and require replacement. Late last year the firing pin broke in one of the pistols during training. We have had this happen to two other weapons in the past. The pistol was sent to be repaired by a Sig Arms technician. The technician assessed that all of our firearms are between 25 and 30 years old and require replacement. Due to wear and tear, the metal in some of the working parts is becoming brittle and poses a safety risk to the officers. If the service remains after the OPP costing process, this will be an urgent replacement requirement.

IN CAMERA SESSION REQUIRED

I require an in camera session to discuss a personnel issue.

- 17.10 If a Member considers that a ruling by the Chair is not in order, an appeal may be made. When challenged, the Chair may give a brief explanation of the ruling and ask the Members if the ruling of the Chair is upheld? In the event of a tie vote, the ruling is upheld. The decision of the Board under this Section is final.

SUBJECT: Disclosure of “911 tapes” and the MOU in the wake of *R. v. M.G.T.*
(OCA 2017) decision

Introduction

This memo deals with the Court of Appeal’s decision in *R. v. M.G.T.*, 2017 ONCA 736 and how the disclosure of 911 calls is dealt with in the *Framework Memorandum of Understanding* (“MOU”).

The M.G.T. Decision

This is a sexual assault case involving a recanting witness. The appellant was convicted of sexually assaulting his wife. Her evidence at trial was corroborated by a third person who overheard the assault and called 911. After conviction, but before sentencing, the appellant brought an application to re-open his case. He filed affidavits from people who claimed to have heard that the 911 caller had fabricated his evidence at trial. The trial judge refused to re-open the case.

On appeal, the appellant argued that the trial judge should have allowed him to re-open. He also sought to introduce fresh evidence of the alleged recantation, and a transcript of the 911 call, which had not been disclosed before trial.

The Peel Crown office policy was not to provide the 911 calls as part of the initial disclosure package. Justice Watt, writing for the Court of Appeal states at paragraph 151:

It is unfathomable that over two decades after *Stinchcombe*, a local Crown Attorney’s office would promulgate and adhere to a policy of non-disclosure, at once ill-conceived and constitutionally infirm. Such a policy amounts to an abrogation of the Crown’s constitutional obligation, the creation of a *Charter*-free zone that bars entry by an accused to obtain his or her constitutional entitlement. If it persists to this day, it has exceeded its best before date by about 35 years and should cease immediately.
[Emphasis added]

The MOU

Our MOU, dated June 13, 2017, is a framework agreement endorsed by the Ministry of the Attorney General (MAG) and the Ontario Association of Chiefs of Police (OACAP) for use as a disclosure protocol across Ontario. Disclosure of 911 tapes (and other “recorded incoming communications from public”) is specifically addressed in the MOU, at section 5.3:

- 5.3.1 Audio of incoming communications from the public (for example: emergency response calls from civilians or “911 tapes”) containing **direct evidence** of the commission of the offence(s) will be provided as part of Initial Disclosure,¹ and where feasible, as part of Bail Briefs.²
- 5.3.2 In preparation for preliminary inquiry or trial, and upon the request of the Crown, transcripts of emergency response calls containing **direct evidence** will be produced by Police. The digital format of the audio and/or video recorded emergency response calls must be available for use as an exhibit with a transcript.

“Direct Evidence”, as defined in the MOU, refers to “all information establishing and/or corroborating the commission of an offence” (see §1.4.9).

In order for the definition of “direct evidence” to conform to the Court of Appeal’s decision in R. v. M.G.T., it must include the following:

- Both inculpatory and exculpatory information;
- Any information that can reasonably be used by the accused in meeting the case for the prosecution, advancing a defence or otherwise determining how to conduct a defence; and
- Unless the information is protected by privilege or clearly irrelevant (e.g. where the communications are clearly not “the fruits of an investigation”), the disclosure practice is to err on the side of inclusion.

Local police chiefs should consult their local Crown Attorneys to ensure that their disclosure with respect to 911 calls is consistent with *R. v. M.G.T.*

Sincerely,

Susan Kyle
Assistant Deputy Attorney General
Criminal Law Division
Ministry of the Attorney General

¹ The MOU defines Initial Disclosure as “the first, main, and substantive documentary and/or electronic evidence package provided to the Crown by police following an investigation” (see §1.4.11)

² The MOU defines Bail Brief as “the disclosure brief relating to matter where the accused is held in-custody for bail hearing” (see §1.4.5)

SUBJECT:

Safe Access to Abortion Services Act, 2017
COMES INTO FORCE FEBRUARY 1, 2018

I am writing to you regarding the ***Safe Access to Abortion Services Act, 2017*** (**SAASA**), which has been proclaimed and will come into force on **February 1, 2018**.

As you know, this Act is new legislation that allows for safe access zones to be established around clinics and facilities that offer abortion services, as well as the offices and homes of clinic staff and other regulated health professionals that provide these services.

We ask that the information below about the SAASA be distributed to Chiefs of Police as soon as possible for their information, and that you confirm with us once this has been accomplished.

The Legislation

The SAASA is new legislation that allows for safe access zones to be established around clinics and facilities that offer abortion services, as well as the offices and homes

of clinic staff, and other regulated health professionals that provide these services (see Appendix 1 for the SAASA).

1. Automatic Safe Access Zones

A safe access zone is a zone around a specified location in which certain behaviours are prohibited, such as anti-abortion protesting and activities that intimidate, harass, or interfere with individuals accessing or providing abortion services.

As of February 1, 2018, the eight abortion clinics in Ontario (five in Toronto, one in Mississauga, one in Brampton, and one in Ottawa) will **automatically** receive safe access zones of 50 metres from the boundaries of their property. The names, addresses, and size of the safe access zone for clinics will be listed in a regulation under the SAASA for information purposes (see Appendix 2 for a current list of clinics in Ontario).

Safe access zones of 150 metres will also be **automatically** established around the homes of “protected service providers” (**all** clinic staff and doctors, nurses, and pharmacists that provide abortion services¹). These locations will **not** be listed in a regulation.

2. Safe Access Zones Established by Regulation

Other facilities, such as health centres, medical offices, hospitals, and pharmacies that offer abortion services will be able to apply to the Ministry of the Attorney General for a safe access zone of up to 150 metres. If a zone around a facility is granted, the location and size of the zone will be listed in a regulation under the SAASA.

The legislation is available online at www.e-laws.gov.on.ca. The regulation will also be available online after the SAASA is in force.

Offences under the SAASA

1. Prohibited Activities in Safe Access Zones around Abortion Clinics and Facilities

Section 3(1) of the SAASA lists the following prohibited activities within a safe access zone for a clinic or facility. In a safe access zone around a clinic or facility, no person shall:

- advise or persuade, or attempt to advise or persuade, a person to refrain from accessing abortion services;
- inform or attempt to inform a person concerning issues related to abortion services, by any means, including oral, written or graphic means;

¹ The SAASA defines “abortion services” as “lawful services provided for the termination of pregnancy including prescribing, dispensing or administering a drug to terminate pregnancy.”

- perform or attempt to perform an act of disapproval concerning issues related to abortion services, by any means, including oral, written or graphic means;
- persistently request that,
 - a person refrain from accessing abortion services, or
 - a protected service provider refrain from providing, or assisting in the provision of, abortion services;
- for the purpose of dissuading a person from accessing abortion services,
 - continuously or repeatedly observe the clinic or facility or persons entering or leaving the clinic or facility,
 - physically interfere with or attempt to physically interfere with the person,

 - physically interfere with or attempt to physically interfere with the provider,
 - intimidate or attempt to intimidate the provider, or
 - photograph, film, videotape, sketch or in any other way graphically record the provider.

The above prohibited activities do not apply to anything done in the course of a person's work at a clinic or facility, or anything occurring between a person accessing, or attempting to access, abortion services and someone who is accompanying the person with that person's consent.

A person may not be convicted of an offence under section 3(1) of the SAASA unless the person knew or, at any time before the contravention, was given notice of, the location of the relevant safe access zone.

2. Prohibited Activities in Safe Access Zones around Residences

Section 4 of the SAASA lists the following prohibited activities within a safe access zone around a residence. In a residential safe access zone, no person can:

- perform or attempt to perform an act of disapproval, directed at or about the provider, concerning issues related to abortion services, by any means, including oral, written or graphic means;
- persistently request that the provider refrain from providing, or assisting in the provision of, abortion services; or
- for the purpose of dissuading the provider from providing, or assisting in the provision of, abortion services,

- intimidate or attempt to intimidate the provider or a member of the provider's household, or
- photograph, film, videotape, sketch or in any other way graphically record the provider or a member of the provider's household.

A person may not be convicted of an offence under section 4 of the SAASA unless the person knew or, at any time before the contravention, was given notice of, the location of the relevant safe access zone.

3. *Prohibition on Harassment of Protected Services Providers*

Section 5 of the SAASA establishes an anti-harassment offence that applies **anywhere in Ontario** to prevent the harassment of protected service providers. Under this section, no person shall, for the purpose of dissuading a protected service provider from providing, or assisting in the provision of, abortion services:

- repeatedly approach, accompany or follow the provider or a person known to the provider;
- continuously or repeatedly observe the provider;
- persistently request that the provider refrain from providing, or assisting in the provision of, abortion services; or
- engage in threatening conduct directed at the provider or a person known to the provider.

Additionally, no person shall repeatedly communicate by telephone, fax or electronic means with a protected service provider or a person known to the provider, for the purpose of dissuading the provider from continuing to provide or assist in the provision of abortion services, after the person being communicated with has requested that such communications stop.

Notice is not required for conviction of harassing a protected service provider under section 5 of the SAASA.

Arrest Powers

Section 12 of the SAASA provides police officers with the power to arrest a person without a warrant if the officer believes, on reasonable and probable grounds, that the person has committed, or is committing, an offence under the SAASA.

Penalties

Individuals who contravene the SAASA will be prosecuted under the *Provincial Offences Act*. For first offences, individuals can receive a fine up to \$5,000 and/or imprisonment of up to six months. For second and subsequent offences, a fine between \$1,000 and \$10,000 and/or imprisonment of up to 12 months can be ordered.
