MINUTES HEALTH & SAFETY COMMITTEE MEETING HELD IN THE NORTH HURON COUNCIL CHAMBERS

Thursday, March 29, 2018 at 10:00 a.m.

MEMBERS PRESENT: Denise Lockie, Larry Meyer, Jeff Howson

Barb Black, Jeff Groves, Lori Vader

Pat Newson joined the meeting at 10:40 am

Dwayne Evans joined the meeting from 11-11:30 am

MEMBERS ABSENT: Richard Al, Pat Fraser, Dwayne Evans, Jordan Murray

Call to Order: Co Chair Denise Lockie called the meeting to order at 10:08 a.m.

Minutes of Previous Meeting:

JHSC03/18: MOVED: Jeff Groves SECONDED: Barb Black

That the Health & Safety Committee hereby adopts the Minutes of the Meeting held January 25, 2018 as printed and circulated. DISPOSITION: Motion Carried.

Deputations/Invited Guests:

Business Arising from Previous Meeting (not otherwise on the agenda):

New Business:

- 1. Inspection Schedule was setup as follows: April and May Recreation & Facilities; June Public Works
- 2. Occurrence Reports / Near Misses (reported to the JH&SC):
 - 1 reports submitted involving staff.
 - 26 occurrences reported involving the Public.

(includes Christmas & spring break programs)

Envelopes are being prepared to put in each of the Township vehicles, which include Occurrence Report forms and Guidelines to follow should an incident occur.

3. Employee Trainings:

4 spots have been reserved for Part 1 through the IHSA membership April 24, 25 & 26, 2018 at the Best Western, Stratford.

- 4. Revised Health and Safety Policy:
 - a) Clothing, Grooming and Personal Hygiene Policy:
 At the March 19, 2018 Regular Council Meeting, Council approved amendments to the clothing allowance policy. A copy of the policy is attached and takes effect retro-active to January 1, 2018. Two key changes are the elimination of the \$130 clothing allowance for full-time employees and an increase in the safety foot wear allowance from \$100 to \$125. Subject to proof of purchase, full-time staff may be rebated up to \$125 for safety foot wear on annual basis. Part-time staff may be rebated up to \$125 on a biennial basis (every other year).

A short discussion regarding wearing "orange protective clothing" took place. Pat Newson advised that the decision would be by department. The Facilities Department has decided to have Rec Operators in orange for the summer.

The fire department requires safety shoes for trainings. There have been questions as to whether safety foot wear is covered for the Volunteer Firefighters.

It was suggested that this may be covered by policy within the fire department and a conversation with the Fire Chief, Captains and Training Officer may be in order.

It was suggested that a 'safety foot wear' policy should be put in place for those doing Health and Safety inspections (closed toe shoes).

It was noted that the compressor room at the North Huron Wescast Community Complex is posted 'NO ADMITTANCE". No one is allowed in the compressor room without a Facilities Staff member in attendance.

b) Policy Review:

Denise advised that there are 24 policies in the draft revised Health and Safety Policy manual that need to be reviewed and approved. In order to accomplish the review on the manual, it was decided that Denise will send out 4 or 5 policies that are to be reviewed by members of the committee before the next (June) meeting. A discussion will take place at that meeting and policies will be approved.

- 5. Health & Safety Incentive Program: Safety Awareness Program Ideas for a new program were discussed.
 - > Public Works hold a truck rodeo
 - invite all departments
 - purchase safety gear
 - Christmas Party put money towards food
 - Fire Department \$5 Tim's Card worked for them
 - ➤ Department Specific accountability committee
 - ➤ Immediate Award positive behavior
 - ➤ All Staff should have equal opportunity; point system

Denise volunteered to check other municipalities to see what programs they use. The Committee will discuss at the next meeting.

6. Promoting Health & Safety:

Wednesday, February 28th was "MSD - Ergonomics Day". Barb reached out to see if MicroAge Basics would have someone that would share their knowledge in ergonomics and willing to come to our office/offices to speak to staff and check to see if our work stations are ergonomically correct. March 7th, Sheri Peat, from MicroAge Basics visited and was only able to check out two work stations. She will be returning at a later date to visit the remaining work stations. Sheri answered questions and provided useful information and suggestions to help alleviate any MSD concerns.

5. REPORTS

5.1 Community Improvement Plan - Background Report

Huron County Planner, Laura Simpson reviewed her report, "North Huron Community Improvement Background Report" with the Economic Development Committee.

Questions were raised regarding if the BIAs where consulted in the background report. Laura confirmed they where not because there wasn't enough time before the Council meeting but ensured that they will be consulted in the next phase of the project. It was determined that Laura would come back to the Committee at the August meeting to discuss what was new in the report after the consultations with the Business Improvement Areas.

The Committee applauded Laura for her hard work and wanted to ensure that Laura knew that she is welcome to reach out to the Committee for any help with the coming stages of the Community Improvement Plan.

MOVED BY: Karen Stewart **SECONDED BY:** Dave Tiffin

THAT the North Huron Economic Development Committee accept the "North Huron Community Improvement Background Report" from Planner Laura Simpson;

AND FURTHER THAT the North Huron Economic Development Committee recommends North Huron Council receive the Background Report, titled "North Huron Community Improvement Background Report" prepared by Planner Laura Simpson and in consultation with the Economic Development Committee and proceed with creating a Community Improvement Plan for North Huron for Council's consideration.

CARRIED

6. CORRESPONDENCE

6.1 Paris Main Street Revitalization Fund

It was discussed that this money will be used to fund the Community Improvement Plan. This item is to be brought back to the August meeting.

7. DISCUSSION

Mark Woodward, Ontario Chamber of Commerce, Goderich Central and North Huron invited the Committee to attend two future events.

Discover Accessibility in Huron is an event in support of Accessibility Ontarians with Disabilities Act (AODA) at the Libro Hall in Clinton on October 10, 2018 and will feature a Huron County Accessibility Awards Ceremony as well as a speaker from the Ontario Chamber of Commerce (OCC). The event will also feature local members of the public who have been involved in accessibility design and compliance.

A Breakfast event will be held in August (date TBA) to hear from a Canadian Chamber of Commerce Analyst about the potential impacts of the ongoing trade dispute and it's impact on NAFTA.

It was suggested that the Committee hold on all candidates event for the up and coming election. Hosting an event like this will make the Committee more visible to the public, get the Committee more known to the public and possibly getting more people interested in sitting on the Committee. The event could let the public know what the Committee stands for, who the Committee is and why the Committee is putting on the event. This discussion is to be brought back to the August meeting to plan the details of the event. The Committee would like to hold this event at the beginning of October. It was noted that if the Committee does the event that all candidates will be invited not some of them.

Mark Woodward informed the Committee that he could help with the event as he assisted with a similar event that was successful.

Mark also notified the Committee of a phone application called ForeFlight. This application lets pilots, passengers or flight departments use a downloadable phone application on a smart phone. This application could be used to find out what's happening in the area the plane is flying to. This application can be edited to reflex what's happening around the Wingham Airport. This item is to be brought back to the August meeting to be included in the marketing discussion.

8. NEXT MEETING

Thursday, August 2, 2018 at 12:15 p.m. - 1:45 p.m. in the Wingham Library.

CARRIED

9. ADJOURNMENT

MOVED BY: Dave Tiffin

TOWNSHIP OF NORTH HURON

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council

PREPARED BY: Dwayne Evans, CAO

DATE: 13/08/2018

SUBJECT: CAO Activity Report ATTACHMENTS: Click here to enter text.

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receives the report of the CAO, dated August 13, 2018, regarding updates on matters with the Administration Department and the overall operation of the municipality.

EXECUTIVE SUMMARY

The CAO provides periodic updates to Council on matters within the Administration Department and the overall operation of the municipality.

DISCUSSION

- 1. <u>Blyth-Hullett Landfill:</u> The CAO continues to work with Central Huron's CAO regarding the acquisition of groundwater rights within the Blyth-Hullett Landfill site's 'Contamination Attenuation Zone'. A meeting of the Blyth-Hullett Landfill Board was held in July to update the Board on the status of the negotiations and seek further direction. Staff are proceeding with the direction provided. Reeve Vincent and Councillor Vodden are North Huron's representative on the Blyth-Hullett Landfill Board.
- 2. <u>Economic Development</u>: The CAO continues to support the Economic Development Committee. The Committee is discussing hosting an all candidate's meeting for the upcoming municipal election. The Committee also continues to work on a Community Improvement Plan for Council's consideration and at the August meeting, the Committee received a presentation from Denise Lockie, Recreation Department, regarding a promotion/marketing strategy. With respect to site specific developments, the CAO has been working with the Township's Development Team (comprised of staff) to review and provide comments on recent drawings for the Rutledge Subdivision. The CAO also continues to advance a pending commercial development. The CAO has recently starting working with another developer on a proposal which has potential.
- 3. <u>Human Resources:</u> The Director of Recreation and Community Services position and the Administrative Assistant position for the Recreation Department were posted. Applications have been received. An interview panel comprised of the CAO, the Acting Director of Recreation and Facilities and an external recreation expert has been established for the hiring of the Director Recreation and Community Services position. The Acting Director of Recreation and Facilities and the Programming Supervisor will be undertaking the hiring process for the Administrative Assistant position. The outcome of both processes will be shared with Council in closed session at the September 4, 2018 Council meeting.
- **4.** <u>Clerk:</u> As Council is aware, the CAO has taken on the Clerk responsibilities. This includes providing direction and reviewing agendas, minutes and by-laws. Kerri Ann O'Rourke has assumed the lead role for the municipal election and has recently been tasked with the

- preparation of the policing brief that needs to be submitted to OCOP to facilitate the transition to OPP.
- **5.** <u>Administration:</u> Staff continue the practice of preparing and distributing a document after each Council meeting which highlights Council's decisions and directions. The document is distributed to local media after each Council meeting.
- **6.** <u>Belgrave Community Centre:</u> The Reeve, CAO and Director of Public Works recently met with an adjacent property owner to discuss exposure of the Belgrave Community Centre foundation. Discussions are ongoing.
- 7. Emergency Services Training Centre and Public Works Buildings: As authorized by Council, a notice was published advising the Emergency Services Training Centre, the Blyth Public Works property and the East Wawanosh Public Works have been declared surplus. The CAO has been fielding inquiries and answering questions regarding the properties. Offers of purchase and interest to purchase are being received until noon on Wednesday, August 22, 2018. Submissions received will be shared with Council in closed session at the September 4, 2018 meeting.
- **8.** <u>Belgrave Resident Water Connection:</u> The CAO, Director of North Huron's Public Works, the Director of Morris-Turnberry's Public Works and Morris-Turnberry's Administrator Clerk-Treasurer recently met to discuss a request from a North Huron resident in Belgrave who expressed an interest to connect to the Belgrave Water System. There is a report and a by-law on this agenda for Council's consideration.
- **9.** <u>Fire Services Agreements:</u> The fire service agreements with Morris-Turnberry and Central Huron expire at the end of this year. The fire service agreement with Ashfield-Colborne-Wawanosh expires at the end of next year. The CAO and Fire Chief are working on renewal options. A staff report will be presented to Council in closed session in September regarding the renewal of these agreements.
- **10.** <u>Leadership Global Summit:</u> The CAO and Councillor Ritesma-Teeninga attended a Leadership Global Summit on August 9 and 10th, 2018 in Waterloo. The Summit is held in Chicago and broadcast worldwide. Waterloo was one of the broadcast locations for this year's summit. The Summit was well attended and provided the CAO many great ideas and thoughts regarding leadership.

Council of North Huron 274 Joseph Street Wingham, Ontario NOG 2W0

RE: Relocation of Blyth Fibre Hub to a proposed severance at the ESTC site

History:

Tuckersmith Communications is a member owned Co-operative whose primary focus is service which we do by investing in infrastructure. In 2013 Tuckersmith entered into an agreement with the Township of North Huron to lease space in the ESTC to host a fibre hub to serve Blyth/Londesborough and area. (See attached press release)

Current Situation:

The Township of North Huron has declared the ESTC building surplus. This has put the long term tenancy for the Blyth fibre hub in doubt. Tuckersmith needs to maintain a permanent space as the usable life expectancy of our current fibre deployments is fifty years plus. Therefore, locating critical points of fibre infrastructure like the fibre hub at the ESTC in a private enterprise is not desirable for the following reasons.

- Access we need access to the equipment 24 hours a day 7 days a week not unlike a firehall that may not align with the interest of a private owner as they may have safety, security or bio contamination issues they want to manage.
- Building reconfiguration- the new owner may want to re arrange or repurpose the building -the main fibre runs through the floor to the opposite side of the building will this remain undisturbed.
- Ownership may change multiple times over the decades and potential lease dispute may cause a
 future owner to lockout future Tuckersmith employees putting the entire regional network in
 jeopardy.
- Infrastructure investment as it is our intention is to invest a significant amount of capital in the Blyth site over the next few decades it will be exponentially more difficult and costly as time goes on to relocate it should we be asked to vacate the premises.
- We feel it simply is not feasible to try to negotiate terms with private business to satisfy our concerns of risk to the network for the next half century.

40023 Kippen Road Kippen, Ontario NOM 2E0 519-606-2211 tcc@tcc.on.ca

Going Forward:

Tuckersmith may freeze future capital investment in the Blyth fibre hub until a new site is in operation. The reason for doing this is every service we turn on will have to be mirrored in the new site. This means if we spend a dollar in the ESTC means we will have to invest a dollar at the new site. As the new site has to be operational before customer migration can begin from the old site. Unfortunately, it is not an option for us to turn off the equipment and move it.

Solution:

We have chosen the northeast corner of the ESTC for severance as the preferred potential solution for the following reasons.

- Proximity to the ESTC
- Use the existing duct structure that was installed 5 years ago which will reduce construction cost
- Ease of obtaining a hydro service
- The property is currently under the control of the municipality

Conclusion:

To be prepared for any future development in the area Tuckersmith needs to act fast to bring the new site online so that we are prepared to offer service when requested. This is not only in Tuckersmith's best interest but feel it is in the best interest of North Huron, Central Huron and Huron County as well.

I have attached a picture of one of our current standalone hubs and a preliminary site plan that indicates the proposed severance.

Sincerely,

Rob Van Aaken General Manager

FIBRE OPTICS INVESTMENT IN BLYTH

North Huron - The next generation of technology is coming soon to Blyth. Tuckersmith Communications Cooperative Ltd. (TCC), in conjunction with the Township of North Huron, is working on increasing the fibre capacity to Blyth. This will allow for improved bandwidth offerings to residential customers and it will make fibre optic services available to Blyth businesses and municipal facilities. Fibre has the highest bandwidth capacity available for both sending and receiving data and this occurs almost instantly.

TCC and North Huron have entered into an agreement to allow TCC to install fibre optic cable and equipment at the Emergency Services Training Centre (ESTC) in Blyth to serve as TCC's hub so that it can expand its telecommunications infrastructure to Blyth and the surrounding area.

"This investment will provide Blyth with access to the most technologically advanced infrastructure in the area," said Rob Van Aaken, General Manager, Tuckersmith Communications Co-operative Ltd.

"Our residents and businesses depend on fast and reliable telecommunications to share information and stay connected," said North Huron Reeve Neil Vincent. "TCC's investment in Blyth to improve connectivity will encourage other partnerships, retain and attract residents, and generate investment and new economic opportunities."

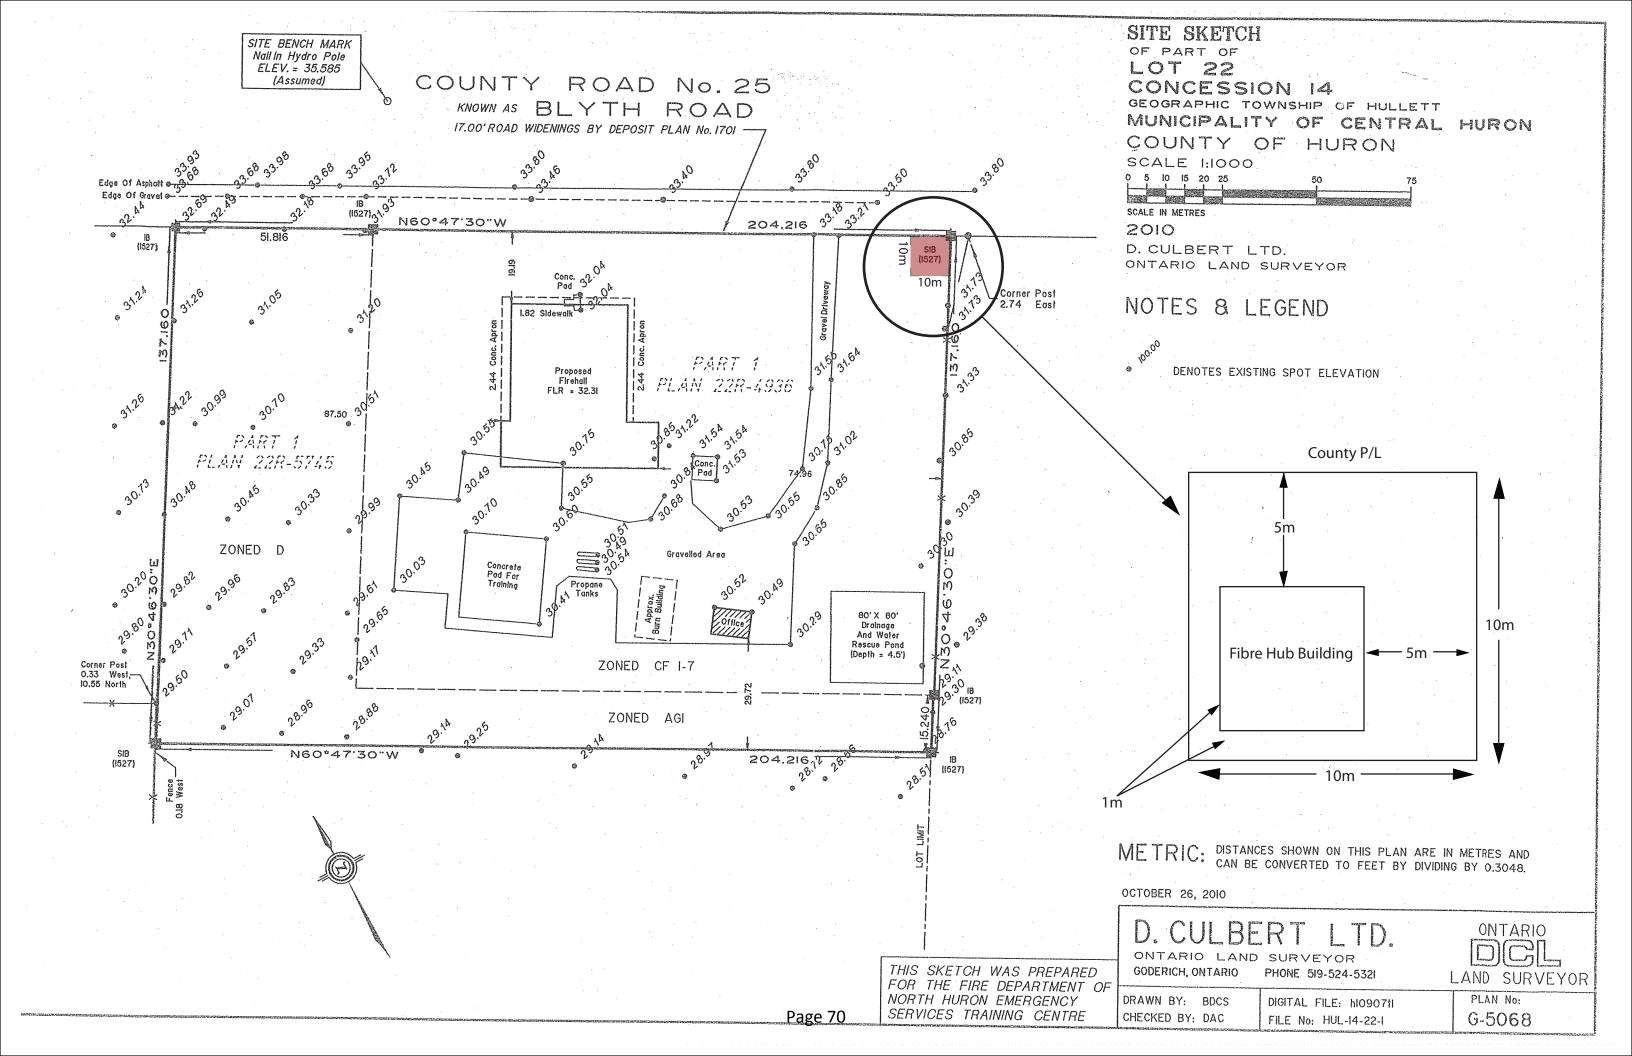

Those looking for more information on TCC's services and these advancements can contact the business office at 519-606-2211. TCC has been offering communications services throughout the area for over 100 years. In operation since 1909, TCC has evolved from a small, local independent telephone company to one of the leading full-service communications firms in Huron County. TCC is proud to invest in local communities – giving residents and businesses one of the most advanced communications infrastructures in Canada.

SUBJECT: Clean Water and Wastewater Agreement Amendment #2

ATTACHMENTS: N/A

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby adopts the Clean Water and Wastewater Fund (CWWF) Transfer Payment Agreement Amendment No. 2;

AND FURTHER THAT a Council approves an exemption to Section 19.1 of the Procedural by-Law to allow By-Law #75-2018 to be passed at the August 13, 2018 meeting.

EXECUTIVE SUMMARY

Council of the Township of North Huron passed By-Law #67-2017 being a by-law to enter into Transfer Payment Agreement for the Clean Water and Wastewater Fund (CWWF) on July 17, 2017. The projects outlined in the agreement was for the completion of a Water Master Plan and a Wastewater Master Plan. The Water Master Plan project includes the Environmental Assessment (EA) process for the Wingham Standpipe.

The Federal Government approved a program wide extension for all CWWF recipients to March 31, 2020 and this Amendment #1 (By-Law #10-2018) was approved by Council on February 5, 2018.

DISCUSSION

During early discussions with the project engineer, B M Ross and Associates recommended that the Township apply for a reallocation of funds between the two master plan projects. The total cost of the projects remains unchanged at \$320,000.00 with 75% funding in the amount of \$240,000.00. The original application included expenses of \$260,000.00 for the Water Master Plan and \$60,000.00 for the Wastewater Master Plan. The amendment includes an allocation of \$108,883.00 for the Water Master Plan and \$211,117.00 for the Wastewater Master Plan. The reallocation is based on an analysis of the project components.

FINANCIAL IMPACT

The project was underway in 2017 and the balance of the project costs have been included in the 2018 budget as follows:

Water - \$90,060.00 Wastewater - \$99,660.00

FUTURE CONSIDERATIONS

By-Law # 75-2018 is included in the by-law section of the agenda.

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receives the report from the Director of Finance, dated August 13, 2018, regarding the TD Tree Days Project;

AND FURTHER THAT the Council of the Township of North Huron approves an exception to Section 19.1 of the Procedural By-law to allow By-Law #76-2018 to be passed at the August 13, 2018 Council Meeting.

EXECUTIVE SUMMARY

The Wingham Trail Committee has secured funding through the TD Tree Days program for a project to enhance the Trail and minimize maintenance. The goal for the event is to plant 145 trees with 40 volunteers. The maximum budget for the project is \$2,550.00 which is fully funded by the TD Tree Days program.

All the labour and funding for the project is provided by the Trail Committee and the TD Tree Days program.

The Tree Advisor for this planting program is Phil Beard and the TD Site Leader is Karla Green. Funding was received in 2017 under the TD Trees Day program to complete a similar project on the trail. North Huron staff will provide support as needed. The bulk of the work is being completed by others.

DISCUSSION

The planting location is further south on the trail from the Lion's Pavilion. This was the focus of the 2017 project.

FINANCIAL IMPACT

The grant funding and expenses will be processed by the Township. There is no effect on the Township budget.

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Blyth Community Center Roof Flashing Repair

ATTACHMENTS:

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding the procurement of services for the repair of damaged roof flashing on the Blyth Community Center;

AND FURTHER, That staff be authorized to secure the services of West Coast Renovations to complete repairs to the Blyth Community Center at a cost of \$6,527.00 plus applicable taxes.

EXECUTIVE SUMMARY

There are a number of areas where high winds and ice accumulation have resulted in damage to eavestrough and flashing on the roof of the Blyth Community Center. In order to prevent further damage to the roofing system or building, it was determined that repairs should be undertaken.

In total, seven (7) companies, three of which were local service providers, were contacted to secure quotations for the work. Two companies responded with written estimates to complete the repairs with pricing as follows:

- Smith-Peat Roofing provided a price of \$6,369.00 for repairs which included the replacement of a total of approximately 35 feet of flashing.
- West Coast Renovations reviewed the damage and recommended the replacement of 70 feet of flashing to fully address the problem areas. The price for this work was estimated at \$6,527.00 plus tax.

After review of the estimates with Dave Cook, Manager of Blyth Facilities, it was determined that the repair recommended by West Coast Renovations was the preferred course of action. This bid is higher by \$158 dollars but includes a more extensive repair.

DISCUSSION

The repair recommended by West Coast Renovations involves the replacement of a larger area of the structure and will serve to provide greater resistance to further failures. Failure to address the damage to the roof flashing has a high potential to result in further damage with higher cost for repairs.

Although some of the damage is as a result of the wind storm earlier this year, the total cost for repair is significantly less than the insurance deductible and a such, does not qualify.

FINANCIAL IMPACT

In this particular instance, the recommended bid is higher by a small margin. The increased quantity of material and extent of the repair justify the additional cost.

Although this repair was not anticipated or specifically budgeted for, the variance is expected to be offset in the overall Blyth Facility budget as some areas are trending below anticipated levels. Staff will continue to monitor the facility budget throughout the remainder of the budget year.

Item No.

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Cemetery By-law Amendments
ATTACHMENTS: Draft North Huron Cemetery By-Law

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding proposed amendments to the North Huron Cemetery By-Law;

AND FURTHER, that Council pass a motion supporting the proposed amendments;

AND FURTHER, that staff be directed to post and provide notice of the cemetery by-law, as amended, pursuant to Section 151 of Ontario Regulation 30/11.

AND FURTHER, that staff be directed to forward the cemetery by-Law, as amended, to the Bereavement Authority of Ontario (the BAO) for approval, prior to Council's adoption.

EXECUTIVE SUMMARY

North Huron Cemetery By-Law 09-2015 was reviewed by staff to ensure consistency with current operation and compliance with regulatory requirements. The review involved meetings with all staff members involved in cemetery operation and consultation with local funeral homes. As a result of the review, the following changes and amendments are recommended for Council's consideration:

- Change the identified time for interments. This change is proposed to minimize municipally incurred costs associated with after hour interments and to provide a mechanism to recoup costs when these events do occur.
- Removal of Winter Interment scheduling and associated fees. There are risks associated with winter interments. The changes incorporated into the proposed By-Law move this practice to be entirely at the discretion of the municipality thereby allowing the practice only when weather and grounds conditions permit.
- Strict guidelines has been introduced into the proposed By-law surrounding the practice of disinterment. A limit of 25 years was incorporated to ensure that a grave cannot be opened after that time period has elapsed.
- Clarification on permissible interment practices including maximum number of interments per plot and allowable monument dimensions have been incorporated into the document.
- Clauses were amended to remove Vendor Advantage.
- A section was added which identifies acceptable behaviour within the Cemetery Boundaries.
- o Administrative changes recommended by the BAO have been incorporated into the document to ensure that the bylaw is compliant with regulatory requirements.

The revised By-Law, as presented has been reviewed by representatives of the BAO and confirmed to be compliant under the Act.

DISCUSSION

There are clearly defined submission procedures before the proposed By-Law can be adopted. Under the Funeral, Burial and Cremation Services Act, 2002, the proposed by-law must be approved by the Registrar (The BAO) prior to adoption. In order to receive this approval, the following steps must be taken:

- a) Publish a notice **once** in a newspaper with general circulation in the locality in which the cemetery is located.
- b) Conspicuously post a copy of the notice on a sign (for 4 weeks) at the cemetery entrance.
- c) Deliver a copy of the notice to each supplier of markers. Suppliers of markers are those who have delivered a marker to the cemetery during the previous twelve-month period.

Subject to Council's approval of this report, staff will submit the Cemetery By-Law, as amended, to the Bereavement Authority of Ontario for approval. The submission will include evidence that the Township has complied with the notification requirements of the Funeral, Burial and Cremation Services Act, 2002. Once approval of the Bereavement Authority of Ontario has been given, an endorsed copy of the By-Law will be returned to the Township. The endorsed copy of the By-law will be placed on a future meeting agenda for Council's consideration and adoption.

FINANCIAL IMPACT

Adoption of the proposed By-Law will limit unfunded overtime incurred by municipal employees in the provision of interment services.

FUTURE CONSIDERATIONS

None at this time.

A. **DEFINITIONS**

Act: Funeral Burial & Cremation Services Act, 2002, S.O. 2002, c.33, including any Provincial Regulations made pursuant to said Act, and specifically Ontario Regulation 30/11.

Burial: The opening of a lot and then the placing of dead human remains or cremated human remains in that lot, followed by closing the lot. The lot may be a grave in the ground, a crypt in a mausoleum or a niche in a columbarium.

Burial Permit: Means a permit for the burial of human remains issued by the Division Registrar.

Cemetery By-laws: This By-law and any amendments hereto under which a Cemetery operates as approved by the Council of the Corporation of the Township of North Huron.

Care and Maintenance Fund: It is a requirement under the FBCSA and O.Reg. 30/11 and 184/12 that a prescribed amount or a percentage of the purchase price (excluding tax) of all interment and scattering rights sold, transferred, assigned or permitted; and prescribed amounts for monuments and markers, is contributed into the care and maintenance fund. If no scattering rights are sold but scattering is permitted a prescribed amount must be contributed to the fund when the scattering is conducted. Interest earned from this fund is used to provide care and maintenance of lots, plots, markers and monuments at the cemetery.

Cemetery: Land, owned and operated by the Corporation of the Township of North Huron, that has been established as a Cemetery under the Act, a private Act or a predecessor of one of them that related to cemeteries, or land that was recognized by the Registrar as a Cemetery under a predecessor of the Act that related to cemeteries and includes land that in the prescribed circumstances has been otherwise set aside for the interment of human remains and a mausoleum or columbarium intended for the interment of human remains.

Cemetery Caretaker: Means the Person who maintains the Cemetery grounds, opens and closes the graves; and represents the Township for all interments.

Cemetery Location: The Wingham Cemetery is located at 90397 Holmes Line, Municipality of Morris-Turnberry and the Blyth Union Cemetery is located 82781 Cemetery Line, Municipality of Central Huron.

Cemetery Manager: Means the Director of Public Works or his/her designate appointed to oversee the Operations of the Cemetery.

Cemetery Operator: Means the Corporation of the Township of North Huron who is the owner of the Wingham Cemetery and the Blyth Union Cemetery. The Municipal Offices are located at 274 Josephine Street, Wingham, Ontario.

Columbarium: Means a structure designed for interment of cremated human remains in sealed compartments.

Contract: For purposes of the Cemetery By-laws, all purchasers of interment or scattering rights, or other cemetery supplies and services must receive a copy of the contract they and the cemetery operator have signed detailing the obligations of both parties, and acknowledging receipt and acceptance of the cemetery by-laws, a copy of the Consumer Information Guide and Price List.

Corner Posts/Foot Marker: Shall mean any stone or other land markers set flush with the surface of the ground and used to indicate the location of a lot, plot or human remains. Corner Posts/Foot Markers are the property of the Burial Rights Holder.

Corporation: The Corporation of the Township of North Huron.

Council: Means the Council of The Corporation of the Township of North Huron.

Cremation Lot: For the purposes of these rules and regulations a cremation lot is half of a single grave (lot) having an approximate size of 1 m x 1 m (3' x 5').

Cremated Remains: Means the residue after cremation of the Body and of the casket or container in which it was received.

Crypt: An individual compartment in a mausoleum for the entombment of human remains.

Disinterment: the act of exhuming or removing buried human remains from the place of burial or interment.

General Maintenance Account: The account that has been set aside for maintenance of the Cemetery and for services rendered in connection with its operation.

Grave: Any inground burial space intended for the interment of an infant, child, adult or cremated human remains (referred to in this document as a lot).

Human Remains: Means a dead human body or the remains of a cremated human body.

Interment Right: The right to require or direct the interment of human remains or cremated human remains in a grave, lot, niche, or crypt and to authorize the installation of a monument or marker.

Interment Rights Certificate: The document issued by the Manager of the Cemetery to the purchaser once the interment rights have been paid in full, identifying ownership of the interment rights.

Interment Rights Holder: Any person or persons designated to hold the right to inter human remains in a specified lot, "Rights Holder" shall have the same meaning.

Lot: For the purposes of these rules and regulations a lot is a single grave space having an approximate size of 1m x 3m (3.28'x 9.84').

Marker: Shall mean any permanent memorial structure that is set flush and level with the ground and used to mark the location of a burial or lot.

Monument: Any permanent memorial projecting above the ground installed within the designated space to mark the location of a burial or lot.

Niche: An individual compartment in a columbarium for the entombment of cremated human remains.

Non-Resident Rate: As per the Cemetery Price List, a non-resident rate shall be charged for supplies and services for purchasers who are not property owners or residents within the municipal boundaries of the Township of North Huron.

Plot: For the purposes of the Cemetery By-laws, a plot is a parcel of land, sold as a single unit, containing multiple lots.

Pre-need supplies or services: Cemetery supplies or services that are not required to be provided until the death of a person alive at the time the arrangements are made.

Price List: The Cemetery Price List as established by the Corporation from time to time which forms part of the Township of North Huron's By-law to Establish Rates and Fees for the Township of North Huron.

Resident Rate: As per the Cemetery Price List, a resident rate shall be charged for supplies and services for purchasers who are property owners and/or reside within the municipal boundaries of the Township of North Huron.

Township: The Corporation of the Township of North Huron.

Transfer of Interment Rights: An inter vivos (during lifetime) or post mortem (after death) transfer made without any consideration or receipt of funds for such transfer. Such transfer is to be distinguished from a re-sale which is prohibited except to the Cemetery Operator on the terms and conditions as herein forth set out.

General Conduct:

The Cemetery Operator reserves full control over the Cemetery operations and management of land within the Cemetery grounds.

No person shall or cause to damage, destroy, remove or deface any property within the Cemetery.

No person may play any sport, commit a nuisance, discharge firearms except at a military funeral, and bring any dog or other animal, other than a working animal.

All visitors must conduct themselves in a quiet manner and shall not disturb any service being held.

By-law Amendments:

The Cemetery shall be governed by the Cemetery By-laws, and all procedures will comply with the Funeral Burial & Cremation Services Act, 2002 and Ontario Regulations 30/11 and 184/12, which may be amended periodically.

All By-law amendments must be:

- a) published once in a newspaper with general circulation in the locality in which the Cemetery is located;
- b) conspicuously posted on a sign at the entrance of the Cemetery; and
- c) delivered to each supplier of markers who has delivered a marker to the Cemetery during the previous year if the By-law or By-law amendment pertains to markers or their installation.

All By-laws and By-law amendments are subject to the approval of the Registrar, Cemeteries Regulation Unit, Ministry of Government and Consumer Services.

Liability:

The Cemetery Operator will not be held liable for any loss or damage, without limitation (including damage by the elements, Acts of God or vandals) to, any lot, plot, columbarium niche,

mausoleum crypt, monument, marker or other article that has been placed in relation to an interment save and except for direct loss or damage caused by gross negligence of the Cemetery.

Pets or Other Animals:

Pets or other lower animals, including cremated animal remains, are not allowed to be buried on Cemetery grounds.

Right to Re-Survey:

The Cemetery Operator has the right at any time to re-survey, enlarge, diminish, re- plot, change or remove plantings, grade, close pathways or roads, alter in shape or size, or otherwise change all or any part of the Cemetery, subject to approval of the appropriate authorities.

Notice of Resale and Transfer of Interment:

The Cemetery Operator **PROHIBITS** the resale of interment rights to a third party and will repurchase these rights from the interment rights holder or such other person to whom the interment rights have been assigned, at the price listed on the current price list less any care and maintenance contribution amount previously made. Transfers of interment rights cannot be prohibited so long as the purchaser meets the qualifications and requirements as outlined in the cemetery operator's by-law.

The Cemetery Operator **PROHIBITS** the resale of interment rights to a third party and is not required to repurchase unused interments rights in a plot (more than one lot) if one of the interment rights in the plot has been exercised.

Interments:

No interment shall be scheduled to take place between November 15th and April 1st. Interments during this time period are at the sole discretion of the Cemetery Manager based on site condition, benefit, and resource availability.

If any Interment Rights have not been used after a ninety-nine (99) year period has passed, they may be considered abandoned.

The Cemetery Operator may apply to the Registrar for a declaration that the Interment Rights are abandoned after making inquiries and giving reasonable notices to find the Interment Rights Holder or beneficiaries. Upon being satisfied that the rights are abandoned, the Registrar shall issue a declaration to that effect. If there is no appeal by the end of the appeal period, as stipulated by the Registrar or otherwise within thirty (30) days, the Cemetery Operator may resell the interment rights in question.

C. SALE OF INTERMENT RIGHTS

Interment Rights to a lot, plot or niche may be purchased from the Cemetery at the rate as set out in the Cemetery Price List and in accordance with approved plans. The prices for Interment Rights include the applicable funds for deposit to the Cemetery's Care and Maintenance Fund.

The purchase of supplies or services will be made directly through the Cemetery Operator.

Under certain circumstances and by agreement only, a Funeral Director may, on behalf of a Cemetery customer, make full payment for Cemetery services and may accept full payment for the Wingham Cemetery and Blyth Union Cemetery for services.

A monument company may submit and/or accept and submit payment payable to the Township of North Huron for monument/marker care and maintenance.

All payments for Interment Rights shall be made at the Township of North Huron Municipal Office.

The Cemetery Operator shall provide the following to the Interment Rights Holder upon full payment:

- a) Interment Rights Certificate
- b) Invoice marked paid
- c) Copy of the Cemetery By-law & Rules & Regulations & Cemetery Price List
- d) Consumer Information Guide

D. CANCELLATION OR RESALE OF INTERMENT RIGHTS

Purchasers of interment rights acquire only the right to direct the burial of human remains and the installation of monuments, markers and inscriptions, subject to the conditions set out in the Cemetery By-laws. No burial, entombment, or installation of any monument, marker, inscription, or memorialization is permitted until the internment rights have been paid in full. An Interment Rights Certificate will be issued to the Interment Rights Holder when payment has been made in full. The purchase of interment rights is not a purchase of real estate or real property.

Cancellation of Interment Rights within 30 Days of Purchase:

A purchaser has the right to cancel an interment rights contract within thirty

(30) days of signing the interment rights contract, by providing written notice of the cancellation to the Cemetery Operator. The Cemetery Operator will refund all monies paid by the purchaser within thirty (30) days from the date of the request for cancellation.

Cancellation of Interment Rights after the 30 Days of Purchase:

Upon receiving written notice from the purchaser of the interment rights, the Cemetery Operator will cancel the contract and issue a refund to the purchaser for the amount paid for the interment, less the appropriate amount that is required to be deposited into the Care and Maintenance Fund. This refund will be made within thirty (30) days of receiving said written notice. If the Interment Rights Certificate has been issued to the Interment Rights Holder, the certificate must be returned to the Cemetery Operator along with the written notice of cancellation.

If any portion of the interment rights has been exercised, the purchaser, or the Interment Rights Holder are not entitled to cancel the contract or re-sell the interment rights, and no refund will be permitted.

NOTE: ALL RESALES OF INTERMENT RIGHTS MUST BE CARRIED OUT THROUGH THE CEMETERY OPERATOR.

If an Interment Rights Holder wishes to re-sell the interment rights, the Holder must make the request to the Cemetery Operator in writing. The Cemetery Operator will repurchase the interment right at the price listed on the Cemetery Operator's current list of Cemetery Fees & Charges, less the Care & Maintenance Fund contribution made at the time of purchase. Any services provided will not be refunded. The re-purchase and payment to the rights holder requesting the sale must be completed within 30 days of the request.

The Interment Rights Holder requesting the resale of the rights must return the Interment Rights Certificate to the Cemetery Operator and the Interment Rights Holder must endorse a Resale Endorsement of Interment Right transferring all rights, title and interest back to the Wingham Cemetery and Blyth Union Cemetery.

The appropriate paperwork must be completed before the Cemetery Operator reimburses the Interment Rights Holder.

In the case of a request received by the Cemetery Operator for transfer of ownership by Interment Rights by reason of a bequest made in a validly executed Last Will and Testament, the Cemetery Operator reserves the right to require the production of a Notarial Copy and/or Court Certified Copy of the Last Will and Testament or a Certificate of Appointment of Estate Trustee; or other evidence sufficient to prove the proper transfer of ownership on death of the rights holder.

Where the deceased Interment Rights Holder has left a Last Will and Testament containing a specific bequest of the Lot, a Notarial Copy and/or Court Certified Copy of the said Last Will and Testament or a Certificate of Appointment of Estate is required.

If the Will does not contain a specific bequest of the Lot, a request in writing from the Estate Trustee(s) for the transfer is required.

Where the Interment Rights Holder died Intestate, a request in writing from the Estate Trustee(s) or, if no Estate Trustee has been appointed, from all of the heirs-at-law.

Where the Interment Rights Holder wishes to transfer such rights during his or her lifetime, the Rights Holder shall so advise the Cemetery Operator, who may request reasonable proof that such transfer does not constitute a resale before effecting same.

All transfer of interment rights shall be subject to payment of the required fees and charges in the Cemetery Price List as established from time to time, and compliance with all other provisions of the Cemetery By-laws.

E. BURIAL OF REMAINS

Interment Rights Holder(s) must provide written authorization prior to a burial or an entombment taking place. Should the Interment Rights Holder be deceased, authorization must be provided in writing by the person authorized to act on behalf of the interment rights holder in keeping with the Succession Law Reform Act i.e. Personal Representative, Estate Trustee, Executor, or next of kin.

A burial permit issued by the Registrar General or equivalent document showing the death has been registered with the province must be provided to the Cemetery Operator's Office prior to a burial or entombment taking place. A Certificate of Cremation must be submitted to the Cemetery Operator's Office prior to the burial of cremated remains taking place.

In accordance with the Act the purchaser of interment rights must enter into a Cemetery contract, providing such information as may be required by the Cemetery Operator for the completion of the contract and the public register prior to each burial or entombment of human remains or cremated human remains.

Payment must be made to the Cemetery Operator before a burial can take place.

The Cemetery Operator shall be given 48 business hours of notice for each burial of human remains.

The opening and closing of graves, crypts and niches may only be conducted by Cemetery staff or those designated by the Cemetery Manager to do work on behalf of the Cemetery.

Cremated remains are not permitted to be scattered in the Wingham Cemetery or Blyth Union Cemetery or any other Cemetery subsequently owned and operated by the Corporation of the Township of North Huron.

All human remains shall be placed in a metal casket (minimum of 20-gauge metal) or wooden casket (minimum 1/2-inch wood) prior to interment in the Cemetery.

No more than one casket shall be interred in a single grave.

No more than four (4) cremated remain interments shall be permitted with one casket in a single grave (lot). Casketed remains should be placed prior to placement of cremated remains. Otherwise, disinterment fees will be applied individually and for each cremated remains necessary to be removed to facilitate the casketed interment. Due to burial requirements, cremated remains entombed in a vault are not permitted to be buried in a grave with casketed remains.

No more than four (4) cremated remain interments shall be permitted in a single grave (lot).

All human remains received for storage at the Chapel during the winter months from November 15th to April 1st shall be embalmed by a licensed Funeral Director prior to acceptance for storage.

Disinterment

Casketed human remains may be disinterred from a lot provided that the remains have been in place for a period not exceeding twenty-five (25) years, and only by request of the interment rights holder. Written consent (authorization) of the Interment Rights Holder and written authorization of the Medical Officer of Health with certificate, must be received by the Cemetery Operator prior to the disinterment taking place.

Ten (10) working days' notice are required for all disinterment.

A certificate from the local Medical Officer of Health is not required for the removal of cremated remains.

In special circumstances the removal of human remains may also be ordered by certain public officials without the consent of the Interment Rights Holder and/or next of kin(s).

Cemetery property shall be closed to all visitors not associated with the disinterment, and gates secured during disinterment.

F. MEMORIALIZATION Monuments & Markers

No memorial or other structure shall be erected or permitted on a lot until all charges have been paid in full.

No monument or marker of any description shall be placed, moved, altered, or removed without prior permission of the Cemetery Caretaker.

Minor scraping of the monument base of an upright monument due to grass/lawn maintenance is considered to be normal wear, and repair of same shall not be the responsibility of the Cemetery Operator.

The Cemetery Operator will take reasonable precautions to protect the property of Interment Rights Holders, but it assumes no liability for the loss of, or damage to, any monument, marker or other structure, or part thereof.

The Cemetery Operator reserves the right to determine the maximum size of monuments, number and location on each lot or plot. They must not be of a size that would interfere with any future interments.

All foundations for monuments shall be built by, or contracted to be built for, the Cemetery Operator at the expense of the Interment Rights Holder.

Should any monument or marker present a risk to public safety because it has become unstable, the Cemetery Operator shall do whatever it deems necessary by way or repairing, resetting, or laying down the monument or marker or any other remedy so as to remove the risk.

The Cemetery Operator reserves the right to remove at its sole discretion any marker, monument or inscription which is not in keeping with the dignity and decorum of the Cemetery as determined by Council.

A monument, private mausoleum or other structure shall be erected only after the specific design plans have been approved by the Cemetery Operator including: dimensions, material of structure, construction details, and proposed location.

In keeping with the Cemetery By-laws only one monument shall be erected within the designated space of any lot.

The minimum thickness for flat markers 4 inches or 10.2 cm including cement base.

The minimum thickness for an upright monument is 6 inches or 15.2 cm.

All monuments and markers shall be constructed of granite, marble or natural stone and permitted only in specific designated areas.

All monuments will include a 20.32 cm (8") thick base. The top surface of the base must be both wider and longer than the die in order to provide a minimum border of 7.62cm (3") on the surface of the base exposed on all sides. No parts of the die shall exceed the width of the base at any point.

The size of one monument allowed on a <u>single lot</u>, including a 20.32 cm (8") thick base, is:

Width: 76.2 cm (30") maximum Thickness of die: 15.2 cm (6") minimum

Base: 76.2 cm (30") maximum x 35.56 cm (12") minimum

Maximum Height: 4ft.

The size of one monument allowed on a plot of <u>two lots</u>, including a 20.32 cm (8") thick base, is:

Width: 121.9 cm (48") maximum Thickness of die: 15.2 cm (6") minimum

Base: 137.16 cm (54") maximum x 35.56 cm (12") -minimum

Maximum Height: 6ft.

The size of one monument allowed on a plot of three or more lots, including a

20.32 cm (8") thick base, is:

Width: 182.9 cm (72") maximum Thickness of die: 15.2 cm (6") minimum

Base: 203.2 cm (80") maximum x 40.6 cm (12") minimum

Maximum Height: 6ft.

No Monument shall be delivered to the Cemetery for installation until the monument foundation has been completed, and the Interment Rights Holder and or monument retailer have been notified by the Cemetery Caretaker.

Markers are permitted with size and quantity restrictions according to Cemetery By-laws and the placement of such memorials shall not interfere with future interments.

Maximum Size of Marker - 24" x 18" (60.92 cm x 45.72 cm)

all markers and monument foundations require a 4" (10 cm) concrete wash.

Location of markers/monuments:

- One marker, centered, is permitted per cremation lot.
- Two markers, centered, are permitted per single lot.
- One monument is permitted to be centered on a single lot.
- One monument shall be centered between two lots.
- One monument shall be centered between three or more lots.

In any area within the Wingham Cemetery and Blyth Union Cemetery which is designated as an area permitting markers only, no monument shall be placed except by specific permission in writing granted by Council.

In any area within the Wingham Cemetery and Blyth Union Cemetery which is designated as an area permitting monuments only, no marker shall be placed except by specific permission in writing granted by Council.

G. CARE AND PLANTING

A portion of the price of interment rights is trusted into the Care and Maintenance Fund. The income generated from this fund is used to maintain, secure and preserve the Cemetery grounds. Services that may be provided through this fund include:

Re-levelling and sodding or seeding of lots

Maintenance of Cemetery roads, sewer and water systems

Maintenance of perimeter walls and fences

Maintenance of Cemetery Landscaping Maintenance of mausoleum and columbarium

Repairs and general upkeep of Cemetery maintenance buildings and equipment

No person other than Cemetery staff shall remove any sod or in any other way change the surface of a burial lot in the Cemetery.

No person shall plant trees, flower beds or shrubs in the Cemetery without prior permission from the Cemetery Caretaker.

Flowers placed on a grave for a funeral shall be removed by the Cemetery staff after a reasonable time to protect the sod/seed and maintain the tidy appearance of the Cemetery.

No glass jars or tin cans allowed for the purpose of holding flowers.

The care and maintenance of flowers on the burial lot is the responsibility of the Interment Rights Holder. Wreaths may be placed beside the monument, attached to a single rod inserted in the ground.

A maximum of two wire or other metal flower receptacles may be placed on each grave and must be placed in line with and in close proximity to the monument.

The planting of Alberta Spruce or Pyramid Cedars will be the only shrubs permitted on burial lots.

Any object placed upon a lot shall be at the Interment Rights Holder's risk and shall be kept in a neat and good state of repair at all times by the Interment Rights Holder; failure to keep them so, will allow Cemetery Staff the right to remove it, or in any other way protect the safety and interest of others.

No tripod stands or enclosures of iron, wire, concrete or other materials shall be permitted on any lot.

No Interment Rights Holder shall cause any object such as benches, trellises, wood or metal stands or other objects that will interfere with the working of mowers, etc., to be placed on a lot. Silk and plastic flowers and solar lights shall be placed in metal pipes to prevent damage from grass trimmers.

No flower pots shall be placed in front of or behind a monument but only at the sides of the monument.

No flower bed, monument, marker, inscription, etc., will be allowed on a lot until all charges have been paid in full.

Flower beds may be allowed directly in front of the monument not exceeding the width of the monument base and twelve inches in front of the base.

Flowers are not the responsibility of the Cemetery Staff and are not covered under the care and maintenance fund and will not be watered by Cemetery Staff.

Any objects, flowers, shrubs, etc. that are encroaching on lots other than those lots owned by the Interment Rights Holder to which these articles belong, may be removed by Cemetery Staff without notice being given to the Interment Rights Holder of record.

H. ITEMS THAT ARE PROHIBITED AND PERMITTED

The Cemetery Operator reserves the right to regulate the articles placed on lots or plots which may pose a threat to the safety of all Interment Rights Holders, visitors to the Cemetery and Cemetery employees, or which prevent the Cemetery from performing general Cemetery operations, or which are not in keeping with the respect and dignity of the Cemetery. Prohibited articles will be removed and disposed of without notification or compensation.

The Cemetery Operator reserves the right to disallow or remove quantities of memorial wreaths or flowers, or other objects, considered by the Cemetery Operator to be excessive or that diminishes the otherwise tidy appearance of the Cemetery.

The Cemetery is not responsible for any articles placed directly on site that are damaged during care and maintenance.

I. COLUMBARIUM

Payment must be made to the Cemetery Operator before an interment may take place.

Only the Cemetery Operator may open and seal niches for interments. This applies to the inside sealer and the niche front.

No person other than Cemetery Staff shall remove or alter niche fronts.

No more than a maximum of three (3) human cremated remains shall be entombed in any niche.

The cremated remains must be placed within a suitable container that will fit into the niche space assigned. The Cemetery Operator may refuse to place any unsuitable and/or oversized container into a niche space.

Niche Inscription:

The engraving of the niche door shall be uniform and supplied and installed by an authorized supplier. Engraving costs are not included in the selling price of the niche and are the responsibility of the Interment Rights Holder.

No fraternal or service club insignias will be approved for inscription on any niche.

The inscription will consist of the names of the deceased, year of death, plus description lines. The Cemetery reserves the right to limit the number of lines and number of characters per line, based on the size of the niche plate. All description lines are to be pre-approved at the sole discretion of the Cemetery Operator.

No external decoration will be allowed on the wall of or near the Columbarium and no photograph cases will be allowed to be attached to the niche.

J. MAUSOLEUM

Full payment must be made to the Cemetery Operator before an entombment may take place.

Only the Cemetery Caretaker may open and seal crypts for entombments. This applies to the inside sealer and the crypt front.

K. CONTRACTOR / MONUMENT DEALERS

Any contract work to be performed within the Cemetery requires the written pre- approval of the Interment Rights Holder and the Cemetery Caretaker before the work may begin. Pre-approval includes but is not limited to: landscaping, delivery of monuments and markers, inscriptions, designs, drawings, plans and detailed specifications relating to the work, proof of all applicable government approvals and permits, the location of the work to be performed. It is the responsibility of all contractors to report to the Cemetery Caretaker's office and provide the necessary approvals before commencing work at any location on the Cemetery property.

Prior to the start of any said work, contractors must provide proof of:

- WSIB Coverage
- Occupational Health and Safety Compliance
- Standards Environmental Protection
- WHMIS
- Evidence of Liability Insurance of not less than \$5,000,000.00

All Cemetery By-laws apply to all contractors and all work carried out by contractors within the Cemetery grounds.

Contractors, monument dealers and suppliers shall not enter the Cemetery or commence work after 4:00 p.m., weekends or statutory holidays, unless approval has been granted by the Cemetery Caretaker.

No work will be performed at the Cemetery except during regular business hours of the Cemetery.

Contractors shall temporarily cease all operations if they are working within 100 meters of a funeral until the conclusion of the service. The Cemetery Caretaker reserves the right to temporarily cease contractor operations at their sole discretion if the noise of the work being performed by the contractor is deemed to be a disturbance to any funeral or public gathering within the Cemetery.

Contractors, monument dealers and suppliers shall lay wooden planks on the burial lots and paths over which heavy materials are to be moved in order to protect the surface from damage.

L. RULES FOR VISITORS

Visitors are asked to remember the respect due to the deceased and conduct themselves in a quiet, orderly manner and shall not disturb any service being held, by noise or other disturbances. The provisions and penalties of the law will be strictly enforced in all cases of disturbance, wanton injury to property, disregard of the rules or conduct unbecoming to the cemetery. Anyone who violates the rules may be expelled from the cemetery.

The Cemetery Caretaker and or his/her designate are empowered and required to preserve order and decorum in the cemetery.

No parades other than funeral processions shall be admitted to or be organized within the cemetery unless authorized by the Cemetery Owner.

Children under the age of twelve (12) years are welcome on the cemetery grounds when accompanied by an adult who shall be responsible for their good conduct and shall see that they do not run over the lots or climb upon the monuments.

Vehicles within the cemetery shall be driven at a speed not exceeding 15 km per hour and shall not leave the roads or park on the grass unless directed to do so by the Cemetery Caretaker or his/her designate. Vehicles shall not be driven over the burial lots of others.

No pleasure ATV's (All Terrain Vehicles), unlicensed motorcycles or snowmobiles are allowed in the cemetery.

Owners of vehicles and their drivers shall be held responsible for any damage done by them.

The carrying or discharging of firearms, other than in regular volleys at burial services authorized by the Cemetery Operator or his/her designate, is prohibited in and around the cemetery.

No large assembly shall be permitted in the cemetery grounds other than a funeral or Memorial Service.

Any person who, in the cemetery, damages or moves any tree, plant, marker, fence, structure or other thing usually erected, planted or placed in a cemetery is liable to the Cemetery Owner and any Interment Rights Holder who, as a result, incurs damage. The amount of damages shall be the amount required to restore the cemetery to the state that it was in before anything was damaged or moved by the person liable.

Any complaints by Interment Rights Holders or visitors should be made to the Cemetery Operator in writing and not to workers on the grounds. Controversies with workers or others on the grounds are to be avoided.

Rubbish shall not be thrown on roadways, lots or walkways or any part of the ground. Receptacles are provided at convenient points on the grounds for the deposit of weeds, decayed flowers, plants, etc.

All persons are prohibited from defacing or injuring any monument, fence or other structure in or belonging to the Cemetery Owner.

AND FURTHER, THAT staff be authorized to investigate the availability of operationally suitable properties.

EXECUTIVE SUMMARY

A structural review of the Wingham Standpipe was completed by RJ Burnside in 2015. Through this inspection a number of issues surrounding the standpipe were identified.

A Request for Proposal (RFP 2016-002) was released to secure the services of an Engineering Firm to assist in guiding the municipality through an Environmental Assessment process and to provide recommendations for the Wingham Standpipe.

One of the options to be considered through the EA process is the replacement of the existing standpipe with a new elevated storage tank. This option can only be fully investigated once a suitable site has been identified.

DISCUSSION

After consideration of a number of locations, the BM Ross engineering team assigned to this project determined that there were operationally viable locations for a new standpipe. In order to consider any location in the EA process, staff need to determine whether the location(s) are available.

If authorized to do so, staff will approach property owners to determine the availability of property.

FINANCIAL IMPACT

None at this time.

FUTURE CONSIDERATIONS

Based on the findings of the 2015 standpipe condition assessment, the EA process should progress without undo delay.

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Trackless MT5 Municipal Tractor purchase

ATTACHMENTS: GovDeals Datasheet

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding the purchase of a 2006 Trackless MT5 Municipal Tractor for information;

EXECUTIVE SUMMARY

The 2018 Municipal Operating Budget included a \$101,760.00 capital allocation for the purchase of a used Municipal Tractor to replace the 1986 unit that is currently in service. These units retail new for approximately \$132,000 plus taxes and attachments.

During budget deliberations, it was determined that other options, including the purchase of a used or refurbished unit would be an acceptable measure to reduce the overall budget requirements.

A price quote of \$79,900.⁰⁰ was received from Trackless for a refurbished 2007 MT5 without attachments. While searching for additional pricing on used equipment, a clean 2006 unit with numerous attachments being sold by a neighbouring municipality was located on GovDeals.

Senior Public Works employees were sent to view the unit, which was located approximately one hour away, in order to determine the condition and maintenance history of the machine. Based on the outcome of their review, the decision was made to pursue the purchase of the unit.

As the existing procurement policy does not speak to the purchase of used equipment through auction, discussions surrounding the potential purchase took place in a meeting with the CAO, Treasurer, and the Director of Public Works. In light of the potential for significant savings, the decision to proceed was unanimously reached. The Reeve, as head of Council, was advised of our intent to proceed with bidding.

DISCUSSION

The final bid price for the unit was \$39,000.00 Canadian plus a 5% Buyer's Premium and applicable taxes. The purchase included the 2006 Trackless MT5, Sweeper Attachment, Water Tank, Straight Blade, Snow Blower, Rear Sander, and High Chute.

This unit is scheduled to be utilized in the Village of Blyth and will replace the current Kubota tractor which has proven to be inadequate for sidewalk work. The Kubota unit will be surplused and sold on GovDeals once the MT5 is placed in service.

FINANCIAL IMPACT

This unit represents a savings of over \$38,950 plus taxes against the factory refurbished unit previously being considered. The additional attachments represent a further savings of several thousand dollars and are in much better condition than many of the currently owned items.

Net cost of the purchased unit, including tax and buyers fee is \$41,670.⁷² which is \$60,089.²⁸ under the budget amount.

FUTURE CONSIDERATIONS

None at this time.

REPORT

Item No.

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Proposed Amendments to Belgrave Water Servicing Agreement

ATTACHMENTS: North Huron By-Law No. 51-2014 Belgrave Water Servicing By-law, Morris-

Turnberry By-Law Agreement for Belgrave Water System amendments to

Schedule A & B

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding proposed amendments to the water servicing agreement between the Municipality of Morris-Turnberry and the Township of North Huron;

AND FURTHER, THAT North Huron By-Law No. 51-2014 be amended to incorporate the revised Schedule "A" and Schedule "B" of the Morris-Turnberry water servicing policy for the Belgrave Water System.

AND FURTHER, THAT Council approves an exemption to Section 19.1 of the Procedural By-Law to allow By-Law #74-2018 to be passed at the July 17, 2017 meeting.

EXECUTIVE SUMMARY

The Municipality of Morris-Turnberry provides municipal water service to North Huron properties in Belgrave. The Township of North Huron formally adopted the Morris-Turnberry Policy of Connection Regulation for the Belgrave Water System through By-Law No. 51-2014.

The Municipality of Morris-Turnberry was recently approached by a North Huron property owner who expressed an interest to connect to the Belgrave Water System. Morris-Turnberry and North Huron staff met and it was determined this request can be accommodated through an amendment to Schedule "A" of Morris-Turnberry's Policy Connection By-law. The amendment includes adding the North Huron resident's property to Schedule "A". To provide an adjacent property owner with the same option, should they wish to connect at some point in the future, staff are recommending two properties (8 Queen St. (the requestor) and 10 Queen Street) be added.

In the process of preparing the amendment, Morris-Turnberry staff also updated the fees and charges associated with connection to the system which are found in Schedule "B" of their policy. See attached.

DISCUSSION

The amendments to the Belgrave Water Servicing Policy were adopted by the Morris-Turnberry Council at their August 7th, 2018 meeting.

A North Huron By-law authorizing the amendments to By-Law 51-2014 aligns with Morris-Turnberry's policies and permits these two properties, should they wish to do so, to connect to the Belgrave Water System.

"Water" shall mean potable water supplied by the System.

"Water service pipe" shall mean the pipe and fittings that convey potable water from a connection on a main or private main to the inside of the exterior wall of a structure.

2.0 WATER SYSTEM OPERATION

2.1 Conditions on water supply

The Municipality agrees to use reasonable diligence in providing a regular and uninterrupted supply and quality of water, but does not guarantee a constant service or the maintenance of unvaried pressure or quality of supply of water. The Municipality is not liable for damages to the customer caused by the breaking of any water service pipe or attachment, or for shutting off of water to repair or to tap mains, if reasonable notice of the intention to shut off the water is given.

2.2 Authority for Water Supply

The Municipality shall have the sole responsibility, authority, power and capacity to construct, maintain and operate all System equipment, to establish whether and the terms upon which municipalities or persons outside the Hamlet of Belgrave may be allowed to connect to the said System as consumers, and the rates to be charged for water supplied to such consumers.

2.3 Private Water Supply

The Municipality acknowledges that there are several existing wells on private properties within the Hamlet of Belgrave. The construction of any new or replacement domestic wells, within the serviced area of the System, is not permitted, reference By-Law No 25-2005.

2.4 Unauthorized operation or interference – offence

No person other than a qualified person authorized by the Municipality for that purpose shall open or close a valve in the System, or remove, tamper with or in any way interfere with any valve, water meter, structure, water main or water service in the System.

3.0 WATER SERVICE

3.1 Application for new or replacement Service Stub

An owner or their agent shall apply to the Municipality for a new or replacement service stub before it is installed and shall pay for it at the rates as outlined in Schedule B or on such other basis as the Municipality may at any time or from time to time determine. The installation of the service stub will not be scheduled or commenced in any way until the application has been approved and the payment has been made.

3.2 Payment of rates – Lump Sum

The rates stipulated in Part 3.1 shall be paid as a lump sum.

3.3 Existing Well Abandonment or Continued Use

Any owner who has an existing well on their property and applies for a new service stub or to connect to an existing service stub will be required to inform the Municipality of the expected future use of the well. If the well is to be abandoned, the owner will do so in accordance with Ontario Regulation 903 and shall provide a copy of the well abandonment record to the Municipality within 30 days of the curb stop being turned on to supply water to the premises. If the well is to be used as an auxiliary water supply, prior approval to do so must be obtained from the Municipality and cross connection control measures must be implemented and inspected on a regular basis.

3.4 Installation and Inspection – Service Stub

All service stubs shall be installed by the Municipality, to the specifications of the Municipality, except in new land development projects where agreements with the Municipality require the developer or the sub-divider to complete such work. All new service stubs and appurtenances, including those required by a Subdivision or Development Agreement, must be inspected by the Municipality or authorized authority during installation.

3.5 Application for Connection to a Service Stub and payment prior to installation

An owner or their agent shall apply to the Municipality for permission to connect to a service stub before a new service extension is installed and shall pay a connection charge at the rate outlined in Schedule B or on such other basis as the Municipality may at any time or from time to time determine. The installation of the service extension will not be scheduled or commenced in any way until the application has been approved and the payment has been made.

3.6 Installation and Inspection – Service Extension and Private Mains

All service extensions and private mains shall be installed by the owner, or a contractor engaged by the owner, and shall be inspected and approved by an authorized authority that will use the Ontario Building Code and any specific requirements made by the Municipality during the inspection.

3.7 Installation - backflow prevention devices

When a new or replacement service extension is installed, a backflow prevention device, approved by the Municipality, shall be installed between the service extension and the plumbing, at the first possible location after the point of entry into the building. An authorized authority shall inspect this installation.

3.8 Inspection – access for

The Municipality and its authorized authority shall have free access, at all reasonable times, and upon reasonable notice given be entitled to enter any premises for the purpose of examining, repairing, altering or disconnecting plumbing that is used in conjunction with the service extension.

3.9 Inspection - access to be provided

Where access in not provided, a written notice by the Municipality will be issued to the Owner, requiring that access be provided within seven (7) days of the date of issue of the notice. If access is not provided within this time frame, the Municipality may, at its discretion, shut off the supply of water to the premises until such time as the access is provided.

3.10 Permanent disconnection of Service Stub

In cases requiring a permanent disconnection of a service stub, the pipe must be disconnected at the main stop, the service side of the main stop shall be plugged, the main stop shall be closed and the curb stop, box and rod removed at the owner's expense. All work will be performed only by a contractor authorized by the Municipality.

3.11 Demolition of a building

If a structure on a property is to be demolished, the Municipality shall be notified prior to demolition in order to shut off the curb stop a the owner's expense.

3,12 Maintenance of Service Stub – Municipality

All service stubs shall be maintained by the Municipality at the Municipality's expense.

3.13 Maintenance of service extension and private main – owner

Any and all defects with a service extension or a private main shall be repaired by the owner of the property being serviced. Should the Municipality become aware of any such defect and, upon written notification to the owner the said defect is not repaired within seven (7) days of the date of the notification or within such time as the Municipality may deem necessary, the Municipality may turn off the water supply to the property. If the Municipality is ordered to restore the water supply, the Municipality may repair the defective service extension and charge the cost to the owner and collect such cost according to law and, until paid, such cost shall remain a lien on such property and may be collected in the like manner as taxes. The Municipality shall not be held responsible for the cost of restoration.

3.14 Operation of Curb Stop

No person, other than persons authorized by the Municipality for that purpose, shall be permitted to operate the curb stop to any premises.

3.15 Access to Curb Stop

All curb stops must be left clear and accessible at all times so that the curb stop may be turned off or on as may be found necessary by the Municipality.

3.16 Responsibility for protection, water loss, damage

All service extensions and private mains shall be properly protected from frost and any other damage at the expense and risk of the owner of the property being serviced. The owner shall be responsible for the water loss occasioned by a leak in the service extension and/or private main. The charge for such water loss shall be as determined by the Municipality and shall be paid by the owner upon demand by the Municipality. The Municipality shall not be held responsible for any damages arising from such leakage.

3.17 Responsibility – vacant and unheated premises

When any premises is left vacant or without heat, it is the owner's responsibility to shut off the water supply inside the premises and to drain the plumbing therein. The owner or occupant may apply in writing to the Municipality to have the curb stop turned off to stop water supply. The curb stop will be turned on only at the owner's request and in the owner's presence. The owner shall pay for this service at the rate established by the Municipality.

3.18 Responsibility – water damage

Any damage occurring to a premises or its contents from leaking or burst plumbing, is the responsibility of the owner or the occupant and the owner or the occupant shall have no claim against the Municipality. Should the Municipality become aware of such leaking or burst plumbing, the Municipality may turn off the curb stop and the water supply shall not be turned on until the Municipality, in its discretion, considers it advisable. This work will be completed at the owner's expense.

3.19 Responsibility for frozen pipes – Municipality – owner

Thawing frozen service stubs on the municipal right of way shall be the Municipality's responsibility. Thawing frozen service extensions and private mains shall be the owner's responsibility. Where any authorized authority assists the owner in the thawing of frozen pipes on the owner's property, all such assistance work will be considered to be at the owner's risk, and the owner shall have no claim against the Municipality by reason of such work.

3.20 Responsibility for repairs and investigation

In all instances where there is a leak, frozen pipes or other damage to the water pipes on private property, including sprinkler systems, it is the responsibility of the owner to arrange, at their expense, for the necessary investigation and repairs. Where any authorized authority assists the owner in any of these matters on the owner's property, all such assistance work will be considered to be at the owner's risk, and the owner shall have no claim against the Municipality by reason of such work.

3.21 Renewal of Service Stub – Municipality

The Municipality shall renew service stubs at its expense and to its specification when piping is deemed by an authorized authority to be beyond repair.

4.0 WATER RATES & FEES

4.1 Application for water supply

Before the initial supply of water or any subsequent reconnection to any premises, the owner shall make application for the same, and the owner shall be governed by the requirements of this by-law.

4.2 Fee

All water consumed on any premises without a meter shall be charged a flat rate as shown in Schedule A.

4.3 Billing

Accounts will be rendered monthly, bi-monthly or on any other basis at the discretion of the Municipality. The bill shall be deemed as served upon the customer if it is delivered or sent by mail to the premises supplied.

4.4 Late payment charges and reminder notice

When an account is not paid by the due date stated on the bill, a late payment charge will be assessed to the account and, ten (10) days after that date, a reminder notice will be sent by mail reminding the customer of the outstanding account.

4.5 Notice of shutoff

Ten (10) days after the reminder notice due date, should the account remain unpaid, a notice of shutoff will be delivered to the service address, advising the customer that unless payment is received within seven (7) days, service will be shutoff.

4.6 Non-payment – water shutoff – lien

If the customer at any premises omits, neglects or refuses to pay any bill rendered, whether for water service pipes, service charge or any other monies to which the Municipality may be entitled in respect of water services to such premises, the Municipality may, at its discretion, shut off or reduce the flow of the water to the premises. Such charges shall remain a lien on the property where they have been incurred at the property and may be collected in the same manner as taxes.

4.7 Reconnection – charge

Where it has been necessary to shutoff service as a result of non-payment, a reconnection charge as shown in the Schedule B will be levied against the delinquent account.

4.8 Service installation charge

All water service pipes, except those to lands being developed under a Development or Subdivision Agreement wherein the main is installed, may be installed on an actual cost basis at the owner's expense.

5.0 CROSS CONNECTION CONTROL

5.1 Protection from contamination

No customer or owner shall connect, cause to be connected, or allow to remain connected to the System any piping, fixture, fitting, container, appliance, vehicle, machine or the like in a manner that may under any circumstance allow water, wastewater or any other liquid, chemical or substance to enter the System.

5.2 Order to install control device

If a condition is found to exist which is contrary to section 5.1, the Municipality or authorized authority shall immediately carry out an inspection and shall issue such order or orders to the customer as may be required to obtain compliance with section 5.1.

5.3 Additional device

Notwithstanding sections 5.1 and 5.2, where, in the opinion of the Municipality, a risk of possible contamination of the System exists, a customer shall, on notice from the Municipality, immediately install on the service extension a cross connection control device, approved by the Municipality, in addition to any cross connection control devices installed in the customer's water system at the source of the potential contamination.

5.4 Installation to required standards

Cross connection control or backflow prevention devices, when required by the Municipality, shall be supplied and installed in accordance with the Ontario Building Code, 7.2.10.10, CSA B64 series including B64.10-07/B64.10.1-07 "Selection and installation of backflow preventers/maintenance and field testing of backflow preventers" as amended from time to time.

5.5 Failure to install

If a customer to whom the Municipality has issued an order fails to comply with that order, the Municipality, at its discretion, may without prior notice, shut off the curb stop.

5.6 Inspection and testing

All cross connection testable control devices shall be inspected and tested at the expense of the customer, upon installation, and annually thereafter, or more often if required by the Municipality, by personnel approved by the Municipality to carry out such tests. The customer shall submit a report to the Municipality of any and all tests performed on a cross connection control device within thirty (30) days of the required test date.

5.7 Failure to test

If a customer fails to have a cross connection control device tested, the Municipality may notify the customer that the cross connection device must be tested within seven (7) days of the customer receiving the notice. If the customer fails to have the device tested within the time allowed, the Municipality may shut off the curb stop until the device has been tested and approved.

5.8 Repair – replacement

When the results of a test referred to in section 5.6 (Inspection and testing) indicate that a cross connection control device is not in good working condition, the customer shall make repairs to or replace the device within seven (7) days. If a customer fails to repair or replace the device within the time allowed, the Municipality may shut off the curb stop until such repairs or replacement has been made.

5.9 Removal of device – permission by Municipality

No person shall, without the permission of the Municipality, remove any cross connection control or backflow prevention devices installed as a requirement of this bylaw.

6.0 WATER METERS

LEFT INTENTIONALLY BLANK

7.0 EXTERNAL USE OF WATER:

7.1 Regulations – External use of water

For the purpose of limiting the consumption of water as necessary, the Municipality may, at any time, implement any regulation, notice or by-law to limit the external use of water or completely ban the external use of water.

- a. Notice of the implementation of a water use regulation or by-law by the Municipality and the effective date thereof shall be given immediately in a manner determined by the Municipality.
- b. Upon the announcement of the implementation of a water use regulation or bylaw by the Municipality, no person shall use water except in accordance with the provisions of such regulation.

8.0 FINES/ENFORCEMENT

8.1 Fine - contravention

Any person who contravenes any provision of this by-law is, upon conviction, guilty of an offence and is liable to any penalty as provided in the Provincial Offences Act.

8.2 Continuation – repetition prohibited

The court in which the conviction has been entered, and any court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the person convicted, and such order shall be in addition to any other penalty imposed on the person convicted.

8.3 Offence - damage to System

Every person who, by act, default, neglect or omission occasions any loss, damage or injury to any part of the System is guilty of an offence and is liable to the Municipality therefore.

8.4 Offence - wilful damage

Every person who wilfully or maliciously damages or causes or knowingly suffers to be damaged any part of the System is guilty of an offence and on conviction is liable to a fine, to the use of the Municipality, and for any expenses of repairing or replacing any part of the System and double the value of the surplus water so consumed, all of which is recoverable under the Provincial Offences Act.

9.0 PROHIBITIONS

9.1 Prohibitions under this by-law

No person or persons shall at any time:

- a. Wilfully hinder or interrupt, or cause or procure to be hindered or interrupted, the Municipality or any of its officers, contractors, agents, servants or workers, in the exercise of any of the power conferred by this by-law;
- b. Wilfully let off or discharge water so that the water runs waste or useless out of the works;
- c. Being a customer, tenant, occupant of any premises supplied with water from the System, improperly waste the water or, without the consent of the Municipality, lend, sell, or dispose of the water, give it away, use or apply it to the use or benefit of another, or to use and benefit other than his own or increase the supply of water agreed for;
- d. Without lawful authority wilfully open or close any curb stop or valve, or obstruct the free access to any curb stop, valve, chamber or pipe by placing on it any building material, rubbish or other obstruction;
- e. Lay or cause to be laid any pipe or main to connect with any pipe or main of the System, or in any way obtain or use the water without the consent of the Municipality; or
- f. Use water externally except in accordance with any regulations or by-laws set out by the Municipality.

THE CORPORATION OF THE MUNICIPALITY OF MORRIS-TURNBERRY

By-law No. 61-2018

BEING A BY-LAW TO AMEND THE AGREEMENT BETWEEN THE CORPORATION OF THE MUNICIPALITY
OF MORRIS-TURNBERRY AND THE CORPORATION OF THE TOWNSHIP OF NORTH HURON, REGARDING
THE SUPPLY OF WATER TO OWNERS OR OCCUPANTS OF LAND BEYOND THE LIMIT OF THE
MUNICIPALITY

WHEREAS, The Municipal Act S.O. 25, c. 25, as amended, Section 20(1) authorizes that a municipality may enter into an agreement with one or more municipalities or local bodies, as defined in Section 19 of the Act, or combination of both to jointly provide, for their joint benefit, any matter which all of them have the power to provide within their own boundaries.

AND WHEREAS, the Council of the Municipality of Morris-Turnberry is agreeable to enter into an Agreement with the Township of North Huron, to supply a water service to the owners or occupants of land beyond the limits of the municipality;

AND WHEREAS, The Corporation of the Municipality of Morris-Turnberry entered into an agreement with the Corporation of the Township of North Huron under the authority of By-law No. 36-2010 passed the 20th day of April, 2010, amended by By-law 54-2013, passed on the 6th day of August, 2013, and the Council of the Municipality of Morris-Turnberry is hereby desirous to amend the 'Schedule A' of the agreement, listing the properties in the Township of North Huron, that may connect into the Belgrave Water System and to add Schedule 'B' to the agreement setting out the fees required for new connections.

NOW THEREFORE, the Council of the Municipality of Morris-Turnberry enacts as follows:

_ Clerk, Nancy Michie

1.0	That the Council of the Municipality of Morris-Turnberry hereby amends the 'Schedule A' of the By-law No. 61-2018 agreement, listing the properties in the Township of North Huron, that may connect into the Belgrave Water System and adding Schedule 'B' to the agreement setting out the fees required for new connections to the System.		
2.0	That the Mayor and Clerk be authorized to sign the agreement as attached as Schedule 'A'; to this By-law		
3.0	That By-law No. 54-2013 is hereby rescinded and repealed;		
1.0	This By-law shall come into full force and effect upon its final passage and shall remain in effect, until repealed;		
5.0	This By-law may be cited as the "The Belgrave Water Agreement By-law".		
Read a first, second, and third time and finally passed this 7 th day of August, 2018.

REPORT

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Ontario Community Infrastructure Fund Top-Up Fund Intake

ATTACHMENTS: North Huron Top-up Funding Letter - OMAFRA

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding the OCIF Top-up funding program application intake;

AND FURTHER, THAT staff be authorized to submit an application for funding associated with the repair or replacement of the Wingham Standpipe.

EXECUTIVE SUMMARY

The Ontario Community Infrastructure Fund is administered by the Ministry of Agriculture, Food, and Rural Affairs. The program consists of both Formula based and Application based funding streams which Ontario municipalities can access to assist in improvements to vital infrastructure.

The Formula Based funding stream is calculated and made available annually, to eligible municipalities. The Application based Top-up fund is a competitive process, with municipalities competing for access to a fund of approximately \$100 million. The Township of North Huron is eligible to apply for up to \$1,361,419 under the program.

Projects are reviewed by the Province based on the expected benefit relating to critical Health and Safety for the community. Staff have reviewed capital projects for the municipality and determined the work associated with addressing the deficiencies related to the Wingham Standpipe best align with the program.

If successful, this project would commence in 2019 and see completion in 2020.

DISCUSSION

As the municipality has experienced with past applications, submission of an application in no way guarantees that the Township will be successful. Submission of an application does not impose any obligation on the Township.

If the Township is successful in securing OCIF Top-up funding, the next term of Council will have to consider the merits and costs associated with the project before entering into a Contribution Agreement with the Province.

FINANCIAL IMPACT

This capital project was not included in the 2018 budget and for this reason, there is no impact on the 2018 Budget. It is also important to note that Council support for this funding application does not constitute an expenditure authorization and is not binding on the next term of Council.

FUTURE CONSIDERATIONS

If the application is successful, any costs would be presented in the 2019 and 2020 budgets.

RELATIONSHIP TO STRATEGIC PLAN

This project aligns with **Goal No. 4** of the Strategic Plan in that the administration is fiscally responsible and strives for operational excellence.

Dear Chief Administrative Officer, Clerk or Treasurer

As part of the largest infrastructure investment in Ontario's history, the province is committed to helping rural communities improve vital local infrastructure. That's why we are tripling the Ontario Community Infrastructure Fund (OCIF) annually to \$300 million by 2019, which includes providing communities like yours with more stable, predictable and bankable OCIF formula funding.

I am pleased to inform you that we are now accepting proposals for the 2018 intake of OCIF Top-Up Application funding. This intake will provide approximately \$100 million to help communities address larger critical infrastructure projects. **The Township of North Huron is eligible to apply for up to \$1,361,419.** I ask that you share this information with your council as appropriate.

Your community may submit one project proposal, either individually or in partnership with another community. The deadline for submitting proposals for the OCIF Top-Up Application intake is Tuesday August 28, 2018 at 5 p.m. Eastern Daylight Time.

Please note that this is a competitive application process that will assess projects primarily on their critical health and safety aspects. An assessment of the applicant's asset management plan and funding need will also be considered as part of this process. The 2018 program guidelines have been revised to provide additional information on the technical assessment process for each project category.

To consult the program guidelines please visit: www.ontario.ca/municipalinfrastructure. The application form will be made available on this website shortly. Should you have any questions about the application process or your project proposal, please contact your project analyst Mary Wyga at (519) 826-4943 or via email at Mary.Wyga@ontario.ca.

With the municipal elections scheduled to take place on October 22, 2018 and the restrictions placed on municipal council in accordance with section 275 of the *Municipal Act, 2001*, you are encouraged to submit your application as early as possible to mitigate potential constraints in advance of or following a potential municipal election.

Sincerely,

Brent Kennedy

REPORT TO: Reeve Vincent and Members of Council PREPARED BY: Sean McGhee, Director of Public Works

DATE: 13/08/2018

SUBJECT: Police Services Building Roof Repair

ATTACHMENTS:

RECOMMENDATION:

THAT the Council of the Township of North Huron hereby receive the report of the Director of Public Works, dated August 13th, 2018 regarding the procurement of services for the repair of the Police Services Building Roof for information;

AND FURTHER THAT the services of True Trough Ltd be secured for the repair of the south facing roof system of the Wingham Police Services Building in the amount of \$11,250.00 plus applicable taxes.

EXECUTIVE SUMMARY

At the November 20th, 2017 Regular Meeting of Council, the following Resolution was passed:

Resolution M546/17 Moved by: T. Seip

Seconded by: Y. Ritsema-Teeninga

THAT the Council of the Township of North Huron hereby approves using the emergency general facility funds of \$20,000 to repair or replace the south side shingled roof of the Wingham Police Station immediately;

AND FURTHER THAT due to the urgency of the repair, staff will use the negotiated method to select a competent and available vendor to execute the work.

CARRIED

Due in part to the uncertainty surrounding policing of the Wingham ward and the future of the police services facility, work on the roof was postponed.

During a heavy rain event on August 1st, there was significant infiltration of rain water into the detachment in various areas of the south facing roof.

An inspection by municipal employees was conducted to determine the source of the leakage. Based on the extent of infiltration, it was evident that the repair should be completed as soon as possible to minimize any further water damage within the facility. No immediate health and safety concerns were noted at the time of the inspection.

One quote had been previously acquired for the repair. Two other quotes for the work were secured with pricing and availability as follows:

- Smith-Peat, \$19,452.00 plus applicable tax. This quote was for a high-quality repair including removal of existing shingles, ice and water shield membrane, 26 gauge pre-painted steel, and all associated appurtenances. Work would commence mid to late September.
- West Coast Renovations, \$24,335.00 plus applicable taxes. Quote includes installation of high quality deck armour and strapping placed over existing shingles with matching roof steel and all associated flashing and venting. The repair includes the replacement of cast iron vents with 3" ABS hardware. The work would be completed in stages, with the deck armour and strapping placed shortly after order to seal the structure, with steel placed later in the season.
- True Trough Ltd, \$11,250.00 plus taxes. This repair involves application of strapping and lighter 28 gauge colour matched steel over top of the existing shingled roof. The quote includes installation of a vented ridge cap and flashing. The work can be started within two weeks of awarding of contract.

The funds for this project were incorporated into the 2018 Capital Budget.

DISCUSSION

The recommended supplier is suggesting a less extensive repair than the work quoted by the other firms which accounts for the lower price. This quote includes a standard 2-year parts and labour warranty plus standard manufacturer's warranty on the steel.

FINANCIAL IMPACT

This is a fully funded Capital Project with \$26,000 available to complete the work. The recommended approach is approximately \$14,552 under budget as presented.

FUTURE CONSIDERATIONS

Festival of Wizardry Blyth and District Community Centre & Campground September 21st - 23rd

Good evening Reeve Vincent and Esteemed Council Member,

As I'm sure you are aware planning is well underway and the final touches are being put on the various festival offerings for 2018.

As a part of this planning we would ask that the council declare the Festival of Wizardry a municipally significant event, allowing us to apply for a Special Occasions Permit with the AGCO. No noise bylaw exemptions will be required as the event will end each evening at 19:00.

We appreciate the fine work of your staff, your time and ongoing support for this event. We look forward to having an even better year for attendees as well as the local businesses of North Huron and Huron County.

Warmest Regards,

Mr. Dwayne Evans

Chief Administrative Officer Municipality of North Huron PO Box 90, 274 Josephine St. Wingham, Ontario NOG 2W0 519-357-3550

Dear Mr. Evans and the North Huron Municipal Council,

My name is Margaret Speer. I have wanted to become an Officiant for many years, and have recently made that a reality! On July 27th, 2018, I successfully completed the Civil Officiant Course with Denise Labelle-Gelinas (certificate attached). The next step is to choose a municipality to operate from, and of course as a proud resident of North Huron, it is my first choice. Therefore, the purpose of my letter is to request that you please consider naming me a Civil Officiant for the Municipality of North Huron!

I am extremely keen to start officiating civil marriage ceremonies both in North Huron and around our region. After doing some research and speaking with the Event Co-Ordinator for The Four Winds Barn in Brussels, I have discovered that there are many weddings booked there next year that are still looking for a Marriage Officiant.

As our area becomes more of a destination for weddings, there will be plenty of opportunity to run a successful business, generating revenue for both of us. I look forward to attending the North Huron Council Meeting on August 13th and hearing your decision!

Warm Regards,

Margaret Speer

Dear Mr. McGhee:

Re: Silt in Water Supply

Last summer I contacted (Greg) at Veolia regarding our home water discolouration at the above address. Greg flushed the house water supply pipe for 1½ hours through a 3/4" hose before getting clear water. Another home on this crescent is also having the same problem.

I would like to meet with you to discuss what can be done to remove silt from the street main, as we have the same issue this year.

Your attention to this matter would be greatly appreciated.

Yours sincerely,

Brian Sharpe

BETWEEN:

Her Majesty the Queen in right of Ontario as represented by the Minister of Infrastructure

(the "Province")

- and -

the Recipient

BACKGROUND

The Government of Canada has approved the requested Scope Change(s) under the Clean Water and Wastewater Fund program. In order to implement this change the Province and Recipient have agreed to amend the Agreement.

CONSIDERATION

In consideration of the mutual covenants and agreements contained in the Agreement and for other good and valuable consideration, the receipt and sufficiency of which is expressly acknowledged, the Parties agree as follows:

- 1. Capitalized terms used but not defined in this Amending Agreement No.2 have the meanings ascribed to them in the Agreement.
- 2. Pursuant to section 3.0 of the Agreement, the Agreement is amended as follows:
 - (a) SUB-SCHEDULE "C.1" PROJECT DESCRIPTION, BUDGET AND TIMELINES is amending by replacing the project description, budget and timelines with the federally approved scope change(s).
 - (b) SUB-SCHEDULE "C.2" SUB-PROJECT COST BREAKDOWN: is amended by replacing the cost break down with the federally approved scope change(s), as per amended Sub-schedule "C.1".
- 3. All other terms, conditions and provisions shall remain as provided for in the Agreement.

The Parties have executed the Amending Agreement No. 2 on the dates set out below.

TD Friends of the Environment Foundation 77 King St West Toronto, ON M5K 1A2 July, 27, 2018

TO: Larry Meyer and Donna White Township of North Huron P.O. Box 90, 274 Josephine Street Wingham, ON, NOG 2W0

<u>Letter of Agreement between TD Friends of the Environment Foundation and</u> <u>Township of North Huron for TD Tree Days 2018</u>

Dear Larry and Donna,

We are delighted to confirm the understandings that will allow TD Friends of the Environment Foundation ("TD FEF"), to engage [the] Township of North Huron (the "Community Organization") to support a local tree planting event in Wingham as part of TD Tree Days 2018 ("Event").

Please accept this letter detailing the terms of our agreement as the following:

WHEREAS TD FEF's commitment to diversity includes how we contribute to our communities, such that projects, programs and activities funded by TD FEF must be consistent with this commitment. Specifically, TD FEF prohibits discrimination based on race, national or ethnic origin, color, religion, age, sex, sexual orientation, marital status, family status, veteran status, disability or other characteristic protected by law. The projects, programs and activities for which you seek funding must comply with TD FEF's anti-discrimination policy.

Exclusivity

TD FEF will be the single, exclusive sponsor for the Event.

Duration

This Letter of Agreement will be in effect until December 31, 2018 and will become effective with the signing of this Letter of Agreement.

Under no circumstances will TD FEF be liable to the Community Organization or any other person for any harm, damage, injury, loss, liability, expense, cost or any cause of action, claim, demand, suit, proceedings or judgment in connection with TD FEF's sponsorship or this Letter of Agreement.

Site Selection

The Community Organization has secured a suitable site for TD Tree Days in **Wingham at Wingham Ecological Park** that will accommodate a **minimum of 30 volunteers** and a **minimum of 145 native trees and shrubs**.

Execution

The Community Organization, as per the provided Guide for Community Organizations, will be responsible for the following in relation to the Event:

- Secure any and all required permits;
- Manage site coordination and logistics;
- Procure and provide all planting materials, including but not limited to, trees, mulch, and other materials as needed (e.g. stakes, shovels, ties etc.);
- Procure and provide only native tree species suitable for the region and site;
- Engage external volunteers, as needed;
- Support local media relations, as needed;
- Support local dignitary engagement, as needed;

- Provide a minimum of one person who will serve as the site tree advisor ("Tree Advisor"). The Tree Advisor will lead the technical aspect of the planting and will work with the TD Site Leader to ensure that the Event is delivered with excellence. Additional personnel will be provided as needed to oversee the site and the number of volunteers. The Tree Advisor will:
 - Secure approved site (and permits as needed)
 - Schedule at least one site visit with TD Site Leader in advance of the planting
 - Liaise with TD Site Leader regarding event logistics
 - Ensure plant material and equipment is delivered to the site before the event
 - Deliver a planting demonstration at the event to instruct volunteers on properly planting technique
 - Provide a site orientation that will provide information on tree species and the site
 - Ensure trees are being planted properly (Quality Control) and work with the TD Site Leader or volunteers to correct issues with planting technique
 - Inform TD Site Leader of watering and maintenance plan
 - Complete final project report and remit to TD FEF
- Ensure that it has obtained a clear criminal background check on all its personnel on site.

The Community Organization will receive the following program assistance and recognition from TD FEF to execute the Event activities being sponsored:

- A local TD employee volunteer who will manage event execution ("TD Site Leader").
- Include a mention of the Community Organization on the TD Tree Days volunteer registration website tdtreedays.com
- A mention the Community Organization in at least one post relating to the Program on one of TD FEF's social media channels.

Insurance

The Community Organization, and each organization and municipality with which it works in relation to the Event, will maintain insurance with responsible insurers against such risks and in such amounts that could reasonably be expected to be carried by persons acting prudently and in a similar business to that of their organization.

The Community Organization must carry General Liability insurance, including Products and Completed Operations coverage, for the duration of each Event (including site coordination and logistics, procurement of materials, arrangements for permits, engagement of volunteers, soil preparation, planting and maintenance) in the amount of at least CAD one million dollars \$1,000,000. The policy must cover any and all liability arising or accruing as a result of the Event, and any aspects of same, and will name The Toronto-Dominion Bank and TD Friends of the Environment Foundation as additional named insured. The Community Organization will provide TD FEF with Proof of such insurance in the form of a Certificate of Insurance or Certificates of Insurance evidencing such insurance prior to the date of their Event. The certificate(s) must show the named insureds as: The Toronto-Dominion Bank, 66 Wellington St West, Toronto, Ontario M5K 1A2 and TD Friends of the Environment Foundation, 77 King St West, Toronto, Ontario M5K 1A2.

Confidentiality

The existence and terms of this Agreement are confidential. Community Organization agrees not to disclose or otherwise make available any press release, public announcement or public disclosure concerning the existence, subject matter, terms or performance of this Agreement without TD's prior written approval. In addition, if either party and their personnel have access to or receive disclosure or certain confidential or proprietary information about the business and management of the other party or any of the other party's subsidiaries or affiliates ("Information"), the parties and their personnel agree that they will not disclose or provide access to the disclosing party's Information without the express written consent of the disclosing party or as may be required by law. The parties agree that upon termination of this Agreement or upon either party's request, the receiving party and its personnel, except as required for any continuing obligations under this Agreement, will return the Information to the disclosing party.

Publicity

There will be no media releases, public announcements and public disclosures relating to this Agreement except as coordinated with, and approved by, TD FEF.

Payment

TD FEF will pay the Community Organization a **maximum fee of \$2,550** including taxes ("Total Program Costs"), in Canadian funds, as follows: 75% of the Total Program Costs upon signature of this agreement and the balance in a timely manner on receipt of the Final Project Report in the form of Appendix 2. Any and all third-party supplier discounts in the will be passed on to TD FEF. The Community Organization will not mark up, increase, or otherwise charge TD FEF any premium or amount on the invoiced amount by a third-party supplier.

Post Execution

The Community Organization will:

- Complete and submit a Final Project Report for each Event by October 30, 2018; and
- Maintain all trees planted during the Event for a period of two (2) years after the planting date and, upon request by TD FEF, will share its tree maintenance plans with TD FEF.

TD FEF looks forward to a mutually rewarding relationship with Township of North Huron and together building a successful Event.

Sincerely,

Carolyn Scotchmer, Executive Director
