FDNH Budget Notes 2016

51% of our non-building capital funding and operating budget is from contract partners as follows:

ACW 3%

Central Huron 16%

Morris-Turnberry 32%

Capital Reserve

We have a capital reserve budget that all partners contribute to. Currently it is in a deficit due to the need to replace Tanker 4 in 2016 rather than 2017.

Next apparatus replacement is Engine 6 in 2020.

Operating Reserve

We aim to maintain an operating reserve of \$51,150 (\$50,000 2013 dollars adjusted for inflation) in case of unforeseen operational issues (major truck repairs, excessive fire call hours, etc.). If it is above \$51,150 partners receive a refund of any additional funds proportional to their FDNH budget contribution. Fire cost recovery funds paid to FDNH are applied to this account as are any surplus funds at FDNH year end. Currently in deficit due to excessive 2014 fire year, but depending on recoverable costs and assuming no major issues, will likely return positive in 2016.

Proceeds from the sale of Rescue 3.

FDNH Rescue 3 was sold in the late winter of 2015. The funds from this sale are in a separate reserve account. In 2016 it is proposed to use \$32,000 of this reserve for a diesel exhaust removal system at FDNH Wingham Station. Currently there isn't one; this is unsafe for our workers, contaminates our fire gear, and must be remedied.

Operating Budget

Our operating budget is based on our long-term average of 130 calls per year. 2014 we responded to 194 calls. In 2015, 152. Our wages are based off of a 4 year call average, which in 2016 is now 151 incidents. The increased call volume results in additional fuel, repairs, and overall maintenance costs. As per our contracts, our 2016 budget will increase be 1.6% (December's rate of inflation).

Future Considerations

The collapse of the Canadian dollar is making all non-wage operating and capital costs rise faster than the rate of inflation. Coupled with higher than historic call volumes, this puts pressure on our operating budgets. This will have to be addressed in the next round of contract renewals with our partners.

Tanker 8 (from Blyth), has been a nightmare since first purchased. The most recent issue is the liner inside the water tank has started to flake off. We are unsure of the cost to repair this, but it will be significant. Purchasing this lowest price tanker has cost a fortune for FDNH and the former Blyth & District Fire Department. This tanker has a projected life cycle of 8+ more years.

In 2015 FDNH was assessed ~\$13,000 by WSIB for previous issues with payments. This was a significant challenge for us to work through and the higher rates were not accounted for in our multi-year budget used for our contract agreements.

FDNH Wingham Station is 35 years old. It is reasonable to assume that there will be life-cycle repairs and renovations required in the coming years. Building repairs to FDNH structures are solely funded by FDNH

Fire Prevention

North Huron contracts fire prevention services from Morris-Turnberry for 2.5 days per week. Fees for this service are invoiced to North Huron monthly.

Fire prevention officers are in high demand and short supply in Ontario. Current rates for this service from Morris-Turnberry appear to reflect wages that are below-market for this position. (While this is a Morris-Turnberry issue, by virtue of sharing this service, this will also become a North Huron one). Fees charged for this service reflect a 2014 FDNH market study and will be reviewed again for 2017.

However, in 2016 we will be invoicing for post-inspection meetings, as we have found this consumes a larger amount of time than would be expected.

ESTC Budget Notes 2016

ESTC's 2015 year end numbers reflect a better year than forecast.

Over the next few weeks, a lot of items in the 2016 budget will become clearer. The ETSC budget is now driven by a 24-page worksheet that feeds into a master worksheet. This allows us to more accurately adjust revenue and expenses to reflect the impact of various courses provided.

The budget presented represents data from courses where we are certain of the cost/revenue projections.

Items not included in the first budget/rationale:

- 1) Public Services Health and Safety Association (PSHSA) programs. PSHSA is revamping their regional training centre projects and will be announcing the new working model on Thursday 18th February.
- 2) Marine fire training: A "dry run" of this program is occurring during the week of 22nd February. At the conclusion of this, we will be able to dial in accurate numbers. Most of this training will not occur until the 2017 budget year.
- 3) Land based marine fire training: ETSC plans to provide its first offering of this course in 2016. The course developer isn't available to meet until the week of 22nd February to discuss budget information.
- 4) Private Career College: This is still in the works, and we do not have definitive numbers as of the first budget draft.
- 5) Other programming: ESTC is working on a number of other programs that will be covered under a non-disclosure agreement. The financial impact of these is potentially large, but there is no certainty of them yet occurring.
- 6) ESTC's operating structure, governance structure, and business plan need to be reviewed. Council has agreed to look into a consultant to do this. The cost of this is not projected in the budget as it is not a defined value.

Other notes:

- 1) ESTC's main building continues to have abundant space that is currently underutilized. Efforts to better make use of this should be considered by council as it costs ratepayers the same whether it is in use or vacant.
- 2) ESTC continues to make headway on all of our projects submitted to Huron County Economic Development Board and should see most
- 3) The sharing of FDNH Chief and ESTC Principal duties is not sustainable (the Director of Fire and Emergency Services worked 78 out of 91 days in the last quarter of 2015, and has amassed approximately 7 months on unpaid time since starting this position) and not advantageous for council.

**Emergency Services
Training Centre**
