Please read carefully before signing.

By signing this document, you waive certain legal rights, including the right to sue.

I understand that The StopGap Foundation (“StopGap”) will construct and provide my business within the Township of North Huron with a temporary ramp to be used to access my single stepped storefront. Once StopGap delivers the ramp, it is my property and my sole responsibility. **I understand that in order to participate in The Ramp Project and use the ramp on or around the Township sidewalk, I must agree to and sign this waiver and indemnity.**

I know that this ramp is not intended to be a permanent ramp to my storefront and that the ramp should only be used when needed. When in use, the ramp should be level and flush against the step with no gaps present. When the ramp is not in use, it is not permitted to be deployed on or around the Township sidewalk. I understand that the use or storage of the ramp could cause injury to persons or property, and the Township is not responsible for any damages that may occur as a result of any injury.

I voluntarily and unconditionally release the Township of North Huron, its employees, contractors, agents, directors, elected officials, or volunteers from all claims including, but not limited to, personal injury, bodily injury and property damage, whether caused by negligence or otherwise, which I have or may have in the future or during my participation in StopGap - The Ramp Project.

I agree to indemnify and hold harmless the Township of North Huron, its employees, contractors, agents, directors, elected officials, or volunteers for any and all liabilities, damages, costs, claims, suits, and actions that are directly or indirectly related to my activities, or my participation in StopGap - The Ramp Project.

I agree to provide the Township of North Huron annually, regardless the use of the StopGap Ramp, with copies of “Certificate of Insurance” for Commercial General Liability of not less than \$2,000,000.00 (two million dollars) and include the Corporation of the Township of North Huron as an additional insured.

I agree not to sue or bring legal action against anyone who could seek contribution or indemnity from the Township of North Huron, its employees, contractors, agents, directors, elected officials, or volunteers under the *Negligence Act*.
