service

1005

guests

1

Dinner for 1,419 diners

1

Art Walk

R2R
2016

86 presenters/panelists/speakers gathered from Netherlands, Yukon Territories, Kentucky, Newfoundland, Nova Scotia, New Brunswick, Manitoba, Alberta, Quebec and Ontario

Rural Talks to Rural Conference

139 Delegates / **15** panel discussions

art exhibit / fashion designer showcase / student choir / a band / 5 fabulous chefs / craft brewery / local winery / local tasting event / choir director / 8 Pitchers, 5 Catchers, 2 Banks / 3 service clubs

A word cloud featuring the names of various organizations and institutions in the Greater Toronto Area. The text is arranged in a dense, overlapping manner, with some words appearing larger and more prominent than others. The organizations listed include Ryerson University, Memorial University, University of Guelph, Cowbell Brewing Company, Blyth Festival, Rural Ontario Institute, Gateway Rural Health Research Centre, Brandon University, Startup Canada, Upper Canada Fibreshed, FauxPopMedia, FarmWorks, Art of the Rural, Littoral Arts, G2 Rail Trail, and SSE. The word cloud is set against a dark background with a subtle grid pattern.

Phase I

\$4,291,801

\$1

invested by North Huron
leveraged

\$7.50

... *but that's not all*

further, within the facility -
Blyth Festival's 2017 season will
inject over

\$8,131,200

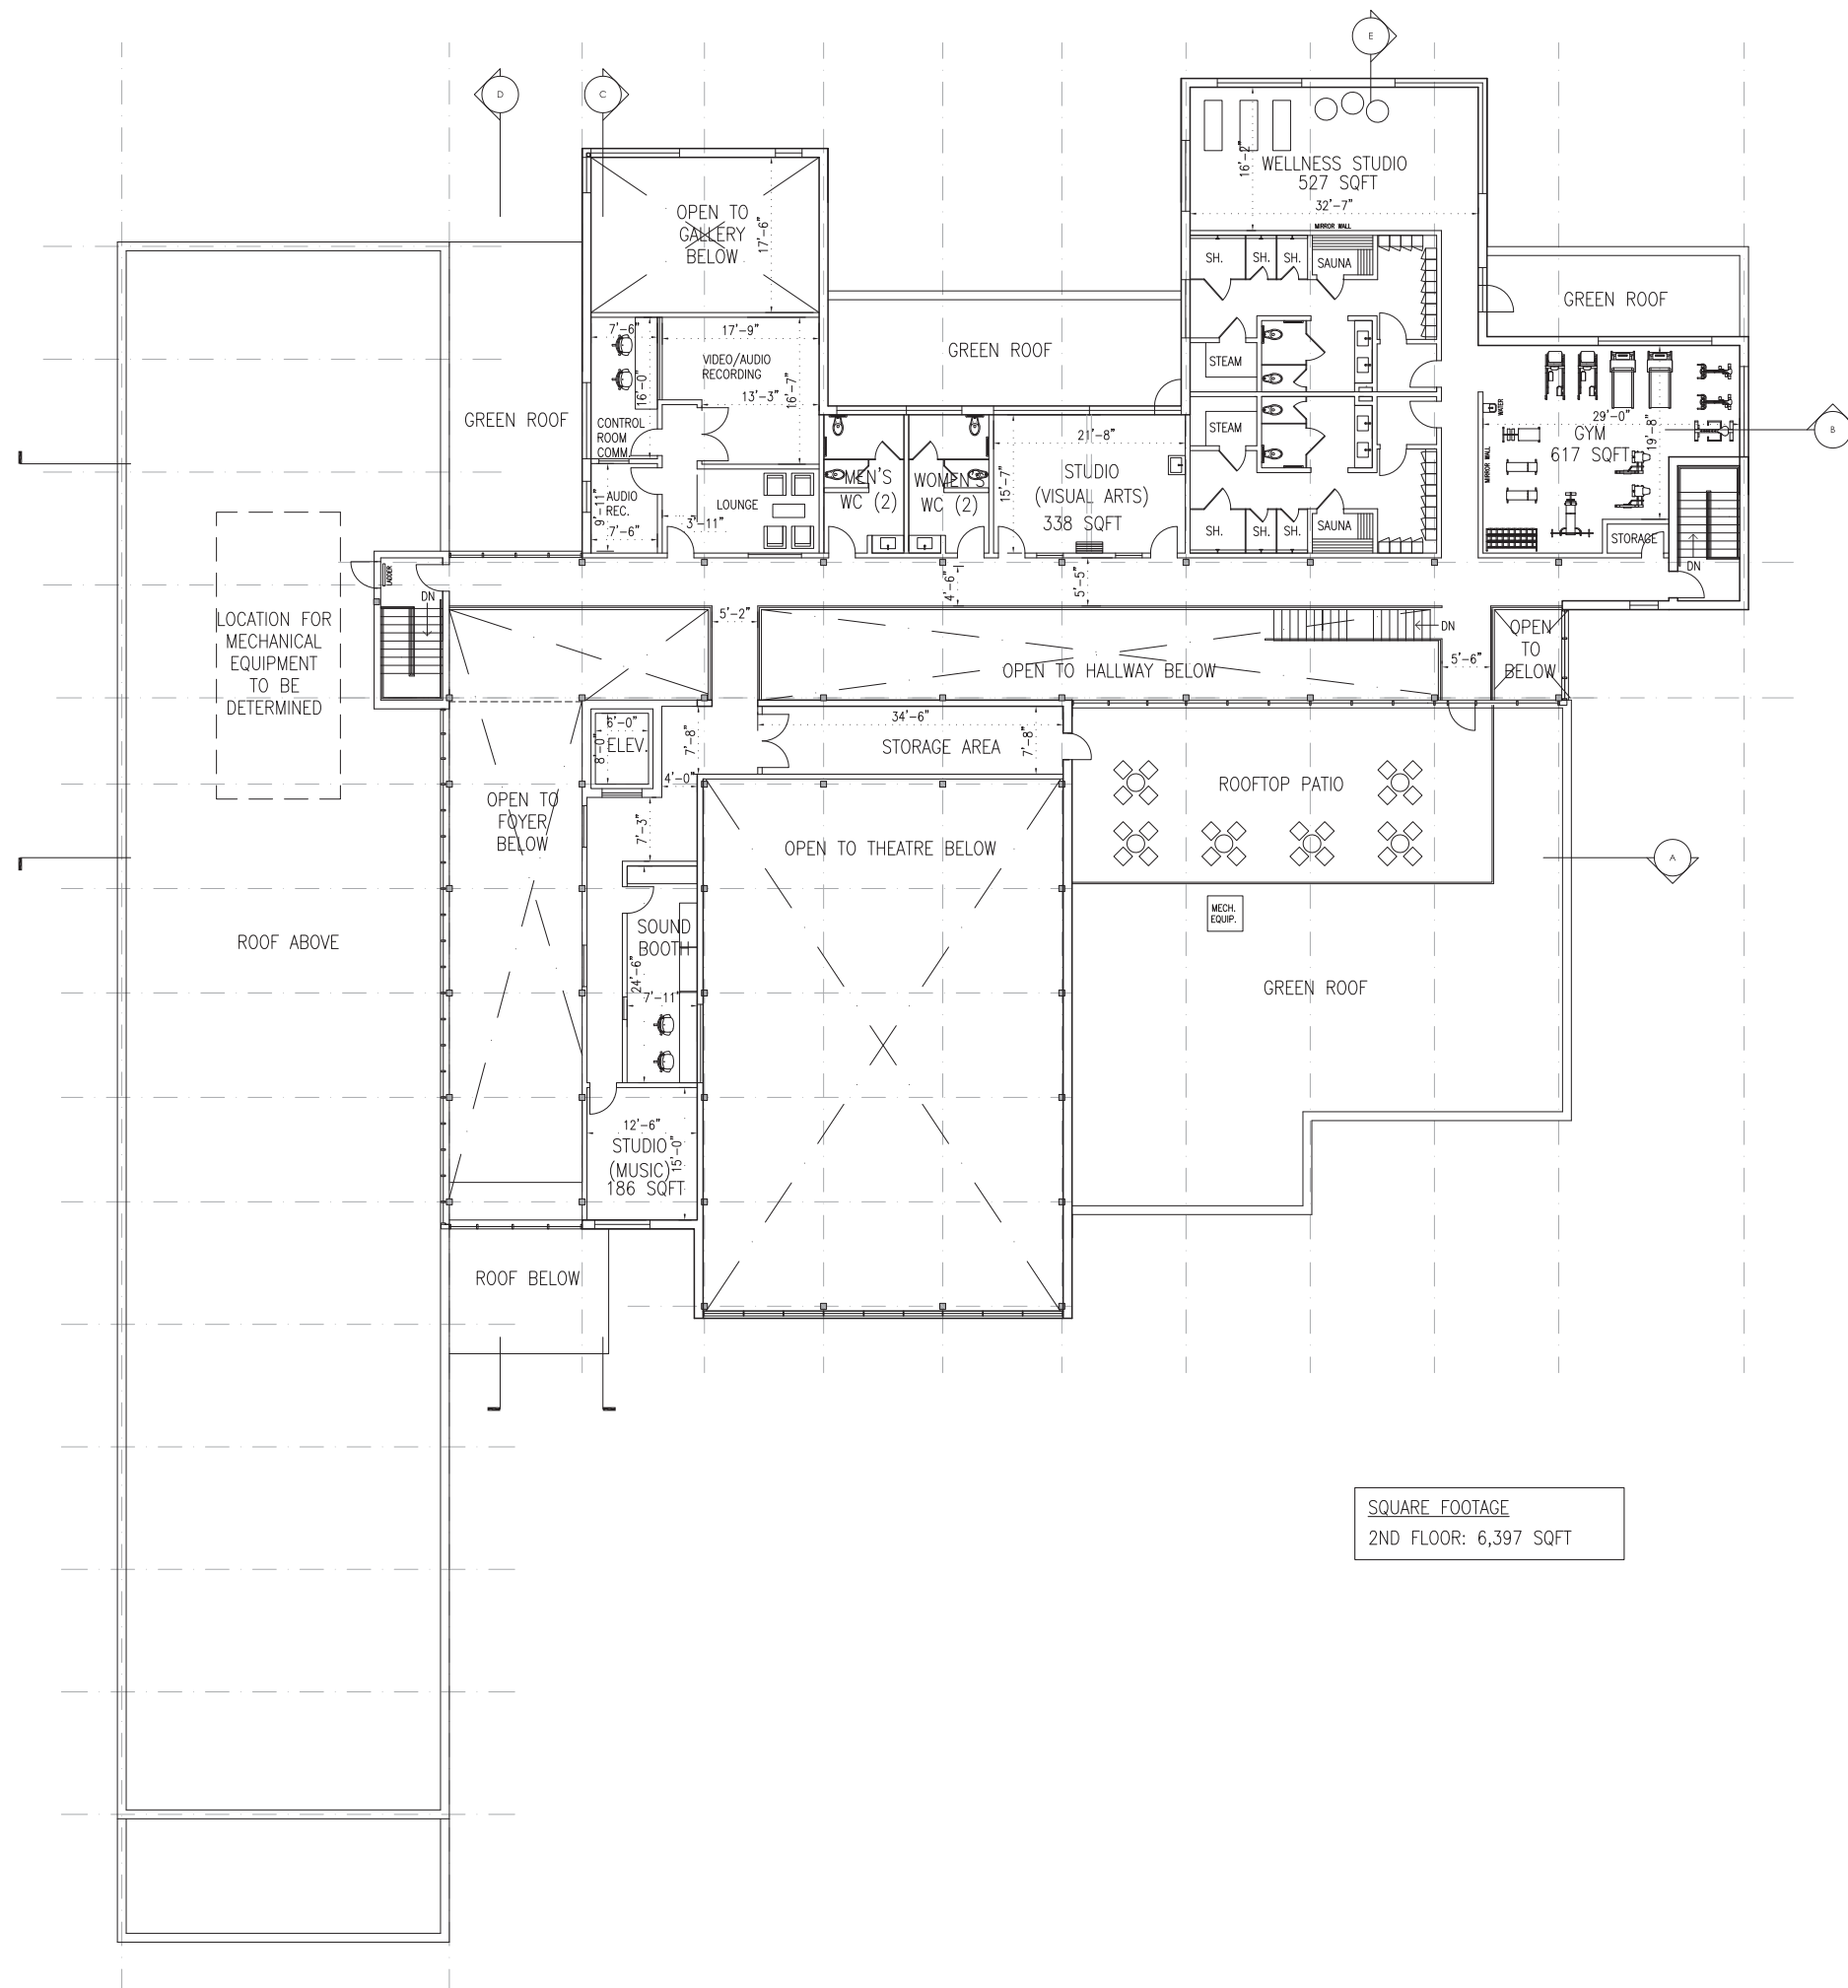

into the regional economy ...

a further ROI of **\$16.26**

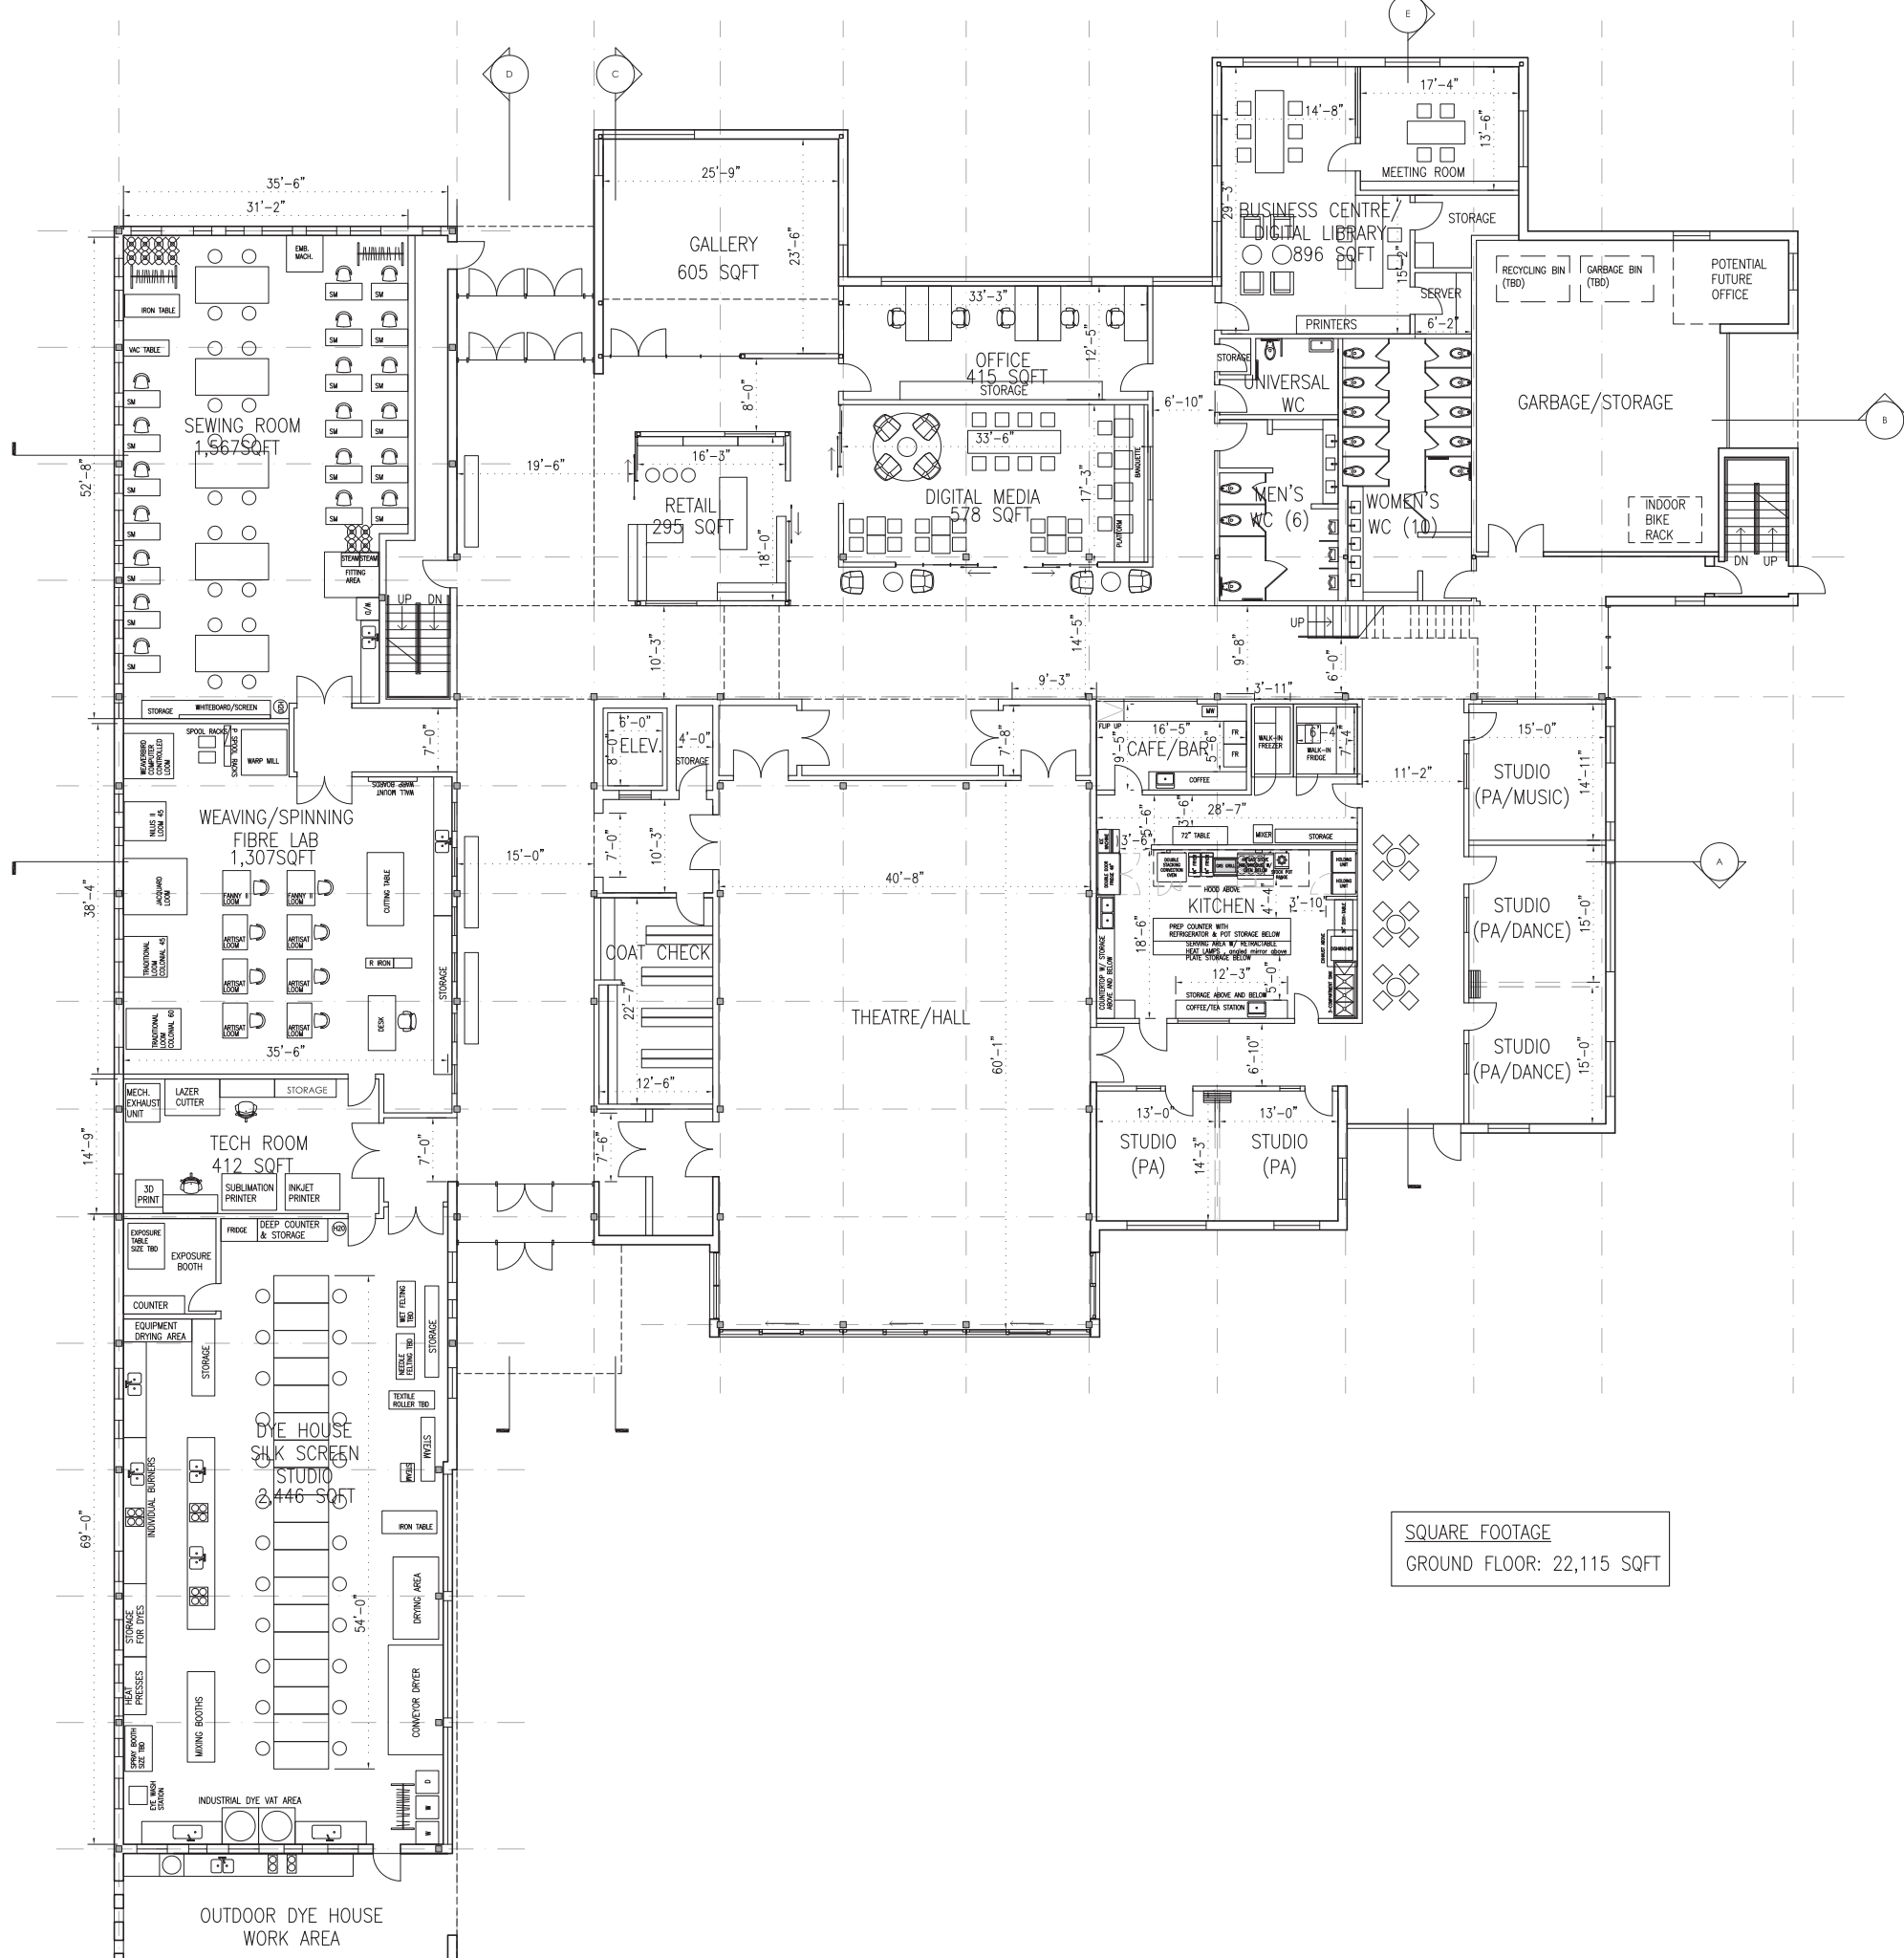

for each **\$1** invested by N.H.

\$250,000

gifted to Blyth Festival
