TO WHOM IT MAY CONCERN:

As a long time business owner of Lewis Flowers, I take pride in the fact that I keep not only 135 Frances Street but the block from Diagonal Road to Victoria Street well maintained in winter and summer.

Since work now being done on Frances Street to replace and move hydro poles, I would like to request that a street light be placed on the pole outside my house and place of business. As you well know, in the past there have been several break-ins on this block with my business targeted a few times. I feel that more lighting would help to deter such behavior in the future.

Thank you for considering my request.

Yours truly,

Allan Dickson
