RE: Hopper Drain Petition

To: The North Huron Council and Staff

We, the 2 main petitioners of the Hopper Drain will not be paying the surprise bill we received, as instructed by legal counsel.

This drain was passed by council July 2016. Is it lawful to rescind a motion?

If indeed the drain was cancelled then the persons who were in favour of that, including council should pay the engineering costs as we, the majority petitioners are still wanting to proceed.

Sincerely,

HOPPER LAND CO. LTD.
