Message from the Detachment Commander

I am pleased to present the Huron Detachment 2016 Action Plan Progress Report in conjunction with our new 2017 – 2019 Action Plan. As we look back over the past year and even over the past three years, we recognize the many policing successes we have had:

- In 2015 the Huron-Perth Situation Table was established and continued to thrive into 2016. Since inception, 60 individuals across Huron County have been assisted in various ways through resource referral and connection.
- As a result of relentless traffic engagement, education and enforcement, Huron OPP saw a 45% decrease in collisions resulting in fatalities.
- The successful use of the OPP Focused Patrol Strategy proved an effective tool for identifying property and traffic-related concerns in Huron County.

We continue to focus on the reduction of harms and victimization, specifically violent crime, property crime, illicit drugs and cybercrime. Once again, provincial targeted outcomes have been identified and we will work together to achieve these provincial targets by 2019.

Huron Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways and trails.

We will continue to partner, engage and educate to find solutions in demands for service involving persons with mental health issues or in a mental crisis. We are also committed to reducing the number of false alarms which continue to misdirect law enforcement resources in OPP communities.

As we look forward we will continue to ensure our communities have the service delivery they require. The focus of the next three years for our detachment will be:

- Recognizing the need to engage youth in our communities by establishing a Police-Youth Advisory Council.
- Building upon the OPP Mental Health Strategy by implementing a collaborative police-health care response model for Huron County.
- Seeking opportunities to implement the Ontario's Mobilization and Engagement Model of Community Policing to reduce domestic and sexual violence.
- Actively deterring the use of illicit drugs and victimization through property crimes by engaging the Huron Detachment Street Crimes Unit.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Jason Younan
Inspector – Detachment Commander
Huron Detachment, OPP

Overview

Our Detachment

- Huron County covers 3,407.62 square kilometres of land, and has a full time population of 59,701. This population increases dramatically in summer months with a busy tourist and cottage season. Huron County borders Lake Huron for 126 kilometers, and includes numerous beaches that are excellent for swimming, fishing, sail boating and other water sports, plus two major marinas located in Bayfield and Goderich.
- Industries within Huron County include farming, wind power, salt mining, both heavy and light manufacturing, tourism, and shipping of grain and salt from the Port of Goderich. South Huron has several large greenhouses (Suntastic and Veri's) where tomatoes and peppers are grown respectively.
- The Huron OPP Administration Centre is situated on Bluewater Highway, south of the Town of Goderich. The Huron Detachment has offices located in the Town of Goderich, Municipality of South Huron and Township of North Huron. Members are deployed to each detachment location. There is also a Community Policing Office located in the village of Brussels and Seaforth supplied by the Municipality of Huron East. Huron OPP services all of Huron County exclusive to the Town of Wingham. The Township of North Huron is a hybrid policing service with OPP.
- Huron County also hosts sporting activities which include Young Canada Hockey Week, hockey, broomball, winter carnival, has kilometres of groomed snowmobile and cross country ski trails and a dynamic curling community. The Town of Goderich is home to a YMCA facility that is second to none. For those interested in the arts, Huron County is home to many authors, artists, the Blyth Festival Theatre, Huron County Play House as well as the Goderich Little Theatre. The Grand Bend Motor Plex is located in Huron Detachment area and hosts many drag races and rock concerts throughout the summer racing season. Walton also hosts the Transcan National Motorcross Championships. Within the county there exists Point Farms - a 210 site Provincial Park, and 26 conservation areas. In 2017, the municipality of Huron East will host the International Plowing Match.
- Huron County is made up of nine municipalities (North Huron, Howick, Morris-Turnberry, Ashfield-Colborne-Wawanosh, Central Huron, South Huron, Bluewater, Huron East, and the Town of Goderich). Six of these municipalities fall under the OPP policing Section 5.1 of the *Police Services Act*, and the remaining three: Central Huron, the Town of Goderich and South Huron, fall under Section 10 of the *Police Services Act*. Police Service Board meetings and open communication with our municipal representatives and board members continues to be a valuable tool in policing our community.

Community Satisfaction Survey

Community Satisfaction Survey conducted in 2017

This survey is a tool for gathering public opinion on policing issues and ratings of OPP service delivery. It can serve as:

- a report card detailing how the people served by the OPP rate that service;
- a gauge of public concern about crime and policing issues;
- an indicator for making improvements to police services; and
- a means to measure how Ontarians view the OPP's service delivery.

The OPP Community Satisfaction Survey is a telephone survey conducted with the general public by research company R.A. Malatest & Associates Ltd., on behalf of the OPP. The survey is conducted for each OPP detachment every three years and annually province-wide. Randomly selected telephone numbers and Random Digit Dial were used to sample respondents who were at least 16 years old, where no member of the household was employed by the OPP.

1.	Overall, 98.2% of respondents felt “very safe” or “safe” in their community
2.	85.6% of the respondents who said they had contact with the OPP in the past year were “very satisfied” or “satisfied” with the ease of contacting the OPP
3.	Overall, 94.7% of respondents were “very satisfied” or “satisfied” with the quality of police service provided by the OPP
4.	82.7% of respondents were “very satisfied” or “satisfied” with contact had with OPP due to an Motor Vehicle Collision (MVC), traffic stop, property crime or violent crime incident
5.	81.2% of the respondents said OPP were “very involved” or “somewhat involved” in their community
6.	94.9% of the respondents said they were “very satisfied” or “satisfied” with the visibility of OPP on the Highways

Crime Progress Results

Provincial Targeted Outcome: 1.9% reduction in overall violent crime by 2016
Provincial Targeted Outcome: 11.3% reduction in overall property crime by 2016

PRIORITY	PROGRESS
Violent Crime: Sexual Assault, Assault, Domestic Violence	<p>Success Demonstrated</p> <ul style="list-style-type: none"> Huron OPP experienced an 18.52% decrease in sexual assault occurrences over the previous year. We continue to partner with community groups to provide support and assistance to victims of crime. Although there was a 12.07% increase from 2015 to 2016 in assault related investigations, an overall 2.0% reduction over the course of the three year action plan was recorded. A robust Intelligence-Led Policing – Crime Abatement Strategy (ILP-CAS) and continued participation with justice partners through the Huron Abuse Response Reduction Team (HARRT) were all contributing factors to this reduction. A service gap has been identified in Huron County specifically relating to support services for men in the community. A transitional house was established in the municipality of South Huron that will assist closing that service delivery gap. A working group exists to develop strategies to address this gap and ultimately reduce incidents of domestic violence.
Property Crime: Theft Over \$5,000.00, Arson and Fraud	<p>Success Demonstrated</p> <ul style="list-style-type: none"> In 2016 the Huron County Crime Unit focused an initiative on targeting frauds. It was identified that vulnerable community members were targeted by fraudsters. Officers educated and reached out to agencies such as Western Union that are commonly used in the commission of these offences to educate employees to help identify possible frauds. In 2016, Huron OPP focused education, engagement and enforcement in Huron East. Community meetings and focused patrols saw a 79% decrease in calls for service in a particular locality. The development of community based solutions to help keep local youths positively engaged is a long term initiative. Huron OPP experienced a 56.99% increase in Theft Over \$5,000 investigations in 2016. The majority of this increase was related to stolen motor vehicles. Huron OPP dedicated 257.75 hours of focused patrol making 9 arrests and preferring 31 criminal charges relative to this persistent issue. Education and engagement of the community regarding Lock It or Lose It was a priority in Huron in 2016. The OPP Auxiliary Unit conducted vehicle checks in Huron County encouraging the community to lock their vehicles and keep valuables out of sight. A 10.50% increase in Break and Enter occurrences in 2016 was experienced in Huron County. A total of 151 Safeguard Ontario residential security reviews were completed to target harden residences. Since 2015 a total of eleven (11) focused patrols were completed by Huron OPP members directly related to property crimes.
Illicit Drugs (including Opioids)	<p>Success Demonstrated</p> <ul style="list-style-type: none"> The 35.92% decrease in illicit drug-related occurrences is a result of the relentless focus and enforcement on these occurrences in Huron County. Huron OPP seized \$2,756,731.15 in drugs and executed 9 search warrants leading to charges preferred against 23 individuals. Huron OPP participated in 9 drug-related presentations, linked with the Huron Youth Justice Committee providing education and awareness to youth and their parents in the community. Providing information to local Pharmacies about Crime Prevention Through Environmental Design (CPTED) and other ways to

	<p>protect from prescription drug thefts and break and enter incidents. In 2016 all pharmacies in Huron County were visited.</p> <ul style="list-style-type: none">• In 2016 the Huron OPP participated in ‘Drug Drop-Off Day’. A total of 28 community members attended and dropped off 6 different types of prescribed narcotics and 3.8 kilograms of Schedule “F” drugs.• Drug awareness presentations were completed at 21 Huron County schools through the OPP KIDS (Knowledge, Issues, Decisions, Supports) Program.• The Huron OPP partnered with the Youth Justice Committee presenting across Huron County to students and their parents regarding drug awareness.• The OPP has partnered with the municipality of South Huron, Canadian Mental Health Association (CMHA), Public Health and County Staff to develop a drug task force to enhance education, awareness and illicit drug use deterrence.
Reducing victimization from cyber and/or technology-enabled crime through engagement and education	<p>Success Demonstrated</p> <ul style="list-style-type: none">• In 2016 the Huron County Crime Unit identified a need to educate young students on the consequences of producing and sharing intimate images of themselves and others. Detectives prepared a presentation and attended several schools across Huron County with great success. This initiative will continue into 2017 and has received positive feedback.• 21 school presentations were completed in elementary schools regarding internet safety.• A partnership with local businesses provided staff training and education to reduce victimization at point of sale terminals for wire transfers through Western Union.• Education through media releases and presentations to vulnerable groups in Huron County has been implemented to reduce fraud related victimization through telemarketing.

Traffic Progress Results

Provincial Targeted Outcome: 1.7% reduction in total motor vehicle collisions by 2016

PRIORITY	RESULTS
The Big Four causal factors of fatal, personal injury and property damage collisions on roadways, waterways and trails: impaired (alcohol/drug), speeding/ aggressive and inattentive/distracted driving and lack of occupant restraint and safety equipment	Success Demonstrated <ul style="list-style-type: none"> Huron OPP Traffic Unit increased proactive enforcement by 42% and the detachment as a whole increased proactive enforcement by 5% for 2016 in comparison to 2015. Proactive engagement, education and enforcement reduced total motor vehicle collisions in Huron County by 10.58% and fatal collisions by 38.46% compared to 2015. Through analysis it was determined the two highest causal factors relating to 2016 fatal motor vehicle collisions were inattentive driving and lack of safety equipment. Racing/stunt driving charges increased by 16% in 2016 in comparison to 2015. 1,239 RIDE (Reduce Impaired Driving Everywhere) checks were conducted across Huron County in comparison to 1,115 in 2015. Huron OPP conducted a total of 8 traffic related Focused Patrols targeting speeding, distracted driving, problem intersections and impaired driving on roadways and snowmobile trails. A total of 866 hours were dedicated to these patrols, yielding 352 Provincial Offence Notices issued. Continued partnership between Huron OPP and the County of Huron deploys Speed Spy Technology to identified problematic speeding locations. Data analysis intelligently deploys policing resources and the ability to report results to applicable municipalities. Huron OPP maintain a collaborative relationship with CHIP (Coalition for Huron Injury Prevention). Five education programs were delivered in 2016 in all high schools in Huron County regarding the dangers related to impaired and distracted driving. A partnership established with the Anabaptist Farm Safety Committee in Huron County allowed for enhanced education in the Amish and Mennonite communities. The committee developed and distributed a traffic safety booklet.
Animal Involved Collisions	Success Demonstrated <ul style="list-style-type: none"> Animal involved collisions decreased 14.6% compared to 2014. However, a third of all collisions in Huron County are attributed to animals, specifically deer. A community-based focus group was developed in Huron County including representatives from the OPP, Ministry of Transportation (MTO), Ministry of Natural Resources and Forestry (MNR), Coalition of Huron Injury Prevention (CHIP), Huron County Roads Department, Insurance Bureau and the Huron County Health Unit to address this concern. Through analysis, seven locations were identified with a high incidence of car versus deer collisions. Enhanced signage, including flashing lights, was purchased by the Huron County Road Department to increase driver awareness, encourage speed reduction and ultimately prevent collisions. Huron OPP has partnered with the County of Huron to develop a series of educational videos to disseminate to the public to increase awareness regarding the hazards of deer on our roadways.

Other Policing Priorities Progress Results

PRIORITY	RESULTS
Calls for service involving persons with mental health issues or in a mental health (MH) crisis through engagement and education	Success Demonstrated <ul style="list-style-type: none">Huron OPP made contact with 250 individuals with mental health issues or in a mental health crisis throughout 2016.The collection and analysis of data through the use of the Brief Mental Health Screener (BMHS) has allowed trends to be identified and shared with local hospitals and mental health service groups.Compliance for BMHS has increased from 69% in 2016 to 98%.In 2016 Huron OPP brought forth 36 cases to the Huron Perth Situation Table. Since inception, 60 Huron OPP referrals have been made with a high level of success realized for community members as a result of this partnership.In 2016 Huron OPP referred individuals in the community to the Huron-Perth County Hoarding Coalition.All hospitals in Huron County have been approached by the Huron OPP regarding Transfer of Care protocols. Encouragement and conversations continue between police and local hospitals to implement protocols.Analytics have driven the need for a collaborative response model in a specific area of Huron County.The development and implementation of a collaborative response model is underway and anticipated to commence in the fall of 2017.In 2016 Huron OPP trained an additional six members in Crisis Intervention Training.
Reducing 9-1-1 “Pocket Dials” through engagement and education	Relevant Activity Underway <ul style="list-style-type: none">Huron OPP embarked on a public education and awareness strategy in partnership with local municipalities.Educational literature will accompany municipal tax notices in the coming year on the impact of 9-1-1 “pocket dials”.Partnerships with cellular providers in Huron County have been established to provide educational material within their business locations.A slight increase of 2.8% of 9-1-1 “pocket dials” has been realized in 2016.

List of Priorities for 2017-2019

The OPP’s action planning process ensures compliance with the Adequacy and Effectiveness of Police Services Regulation (Adequacy Standards) filed as O. Reg. 3/99 in 1999.

Through assessment, analysis and consultation, the following priorities were identified under three categories: crime, traffic and other policing. The priorities reflect provincial and regional issues. Subsequent local analysis and consultation will further identify the specific areas of focus for this region. Priorities will be addressed by effective management strategies combining engagement, education and enforcement. Operationalized within the construct of Ontario’s Mobilization and Engagement Model of Community Policing these strategies will provide the foundation for sustainable community safety and reduced victimization.

CRIME

Violent Crime – Sexual Assault, Assault, Domestic Violence

Priority Description:

- Personal safety is held as the most sacred right which the Ontario Provincial Police are charged with ensuring.
- Incidents of violent crime have a profound effect on how members of the community perceive their own safety.
- In Huron County, the majority of violent crimes (assaults) occur within the context of a domestic environment.
- Violent crime affects all members of the community and available resources are strained if proactive and deterrent activities are not identified and implemented.
- Community based responses are effective ways to address these problems and ultimately provide better outcomes for the individuals in the community.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• Detachment members will continue to work with community partners including but not limited to, Children's Aid Service, Victim Services, Women's Shelter and participate in the Huron Abuse Response Reduction Team and Domestic Abuse Response Reduction Team.• Educational sessions will be directed to local high schools regarding the dangers of domestic violence, assault and sexual assault and preventative strategies.• Community Safety Officer and School Resource Officer will enhance their visibility and availability to students to engage in strategies to deter violent crime.• Through the use of social media, the Community Safety Officer can provide education and tips to enhance community safety and warn regarding behaviours of risk that contribute to vulnerability.	<p>Provincial Target</p> <p><i>2% reduction in overall violent crime by 2019.</i></p> <p><i>Provincial targeted outcomes are based on projections derived from trend analysis of 2012-2016 actual occurrence data</i></p>
Enforcement		<ul style="list-style-type: none">• The Huron Detachment Crime Abatement Strategy will continue to link with the Huron Abuse Response Reduction Team and Domestic Abuse Response Reduction Team. This strategy enforces court imposed conditions with the goal of reducing victimization and acting as a crime deterrent.	

CRIME

Property Crime – Theft Over \$5,000, Theft Under \$5,000 and Fraud

Priority Description:

- Property crime has been one of the most challenging aspects of crime prevention in Huron County.
- Rural properties within Huron County often present themselves as easy and inviting targets of opportunity to the criminal element.
- Most property crimes in Huron County have a direct linkage to the illicit drug culture.
- Property crimes have a serious financial impact on victims and the communities in which they reside.
- Property crimes tax police resources and impact the community’s perception of police effectiveness.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• Consistent and on-going messaging regarding ‘Lock It or Lose It’ campaign.• Public education through the use of OPP Auxiliary members, Police Services Boards and local council members to increase awareness and implement strategies to protect property.• Education sessions by Community Mobilization Officer in Huron County to groups that are targeted by the criminal element.• Implementation of the SafeGuard Ontario Program. Conducting Crime Prevention Through Environmental Design (CPTED) of residential and commercial properties to prevent crime.• Anti-fraud presentations organized by the OPP and other service groups to educate vulnerable groups in the community.• Use of social media to engage and educate the community regarding property crime deterrence and avoidance.	<p>Provincial Target</p> <p><i>2% reduction in overall property crime by 2019.</i></p> <p><i>Provincial targeted outcomes are based on projections derived from trend analysis of 2012-2016 actual occurrence data</i></p>
Enforcement		<ul style="list-style-type: none">• Huron OPP Detachment has a newly implemented and dedicated Street Crimes Unit working in collaboration with our Detachment Analyst to target the criminal element. Trend and data analysis provide focused enforcement.• Frontline officers conduct focused patrols and enforce various statutes relating to property crime offences.• The use of the Crime Abatement Strategy in Huron County will continue to enforce court imposed conditions for those involved in the property crime environment.	

CRIME

Illicit Drugs (including Opioids)

Priority Description:

- Illicit drugs have a significant negative impact on the community, straining community resources such as local hospitals, shelters, medical clinics and other support programs.
- The illicit drug community negatively impacts and victimizes community members.
- Huron County continues to face challenges regarding the use of crystal methamphetamine and other illicit drugs.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• The 2017 implementation of the Huron Detachment Street Crimes Unit has increased policing capacity and enhanced collaborative work between property and crime related investigations.• The annual Drug Drop-Off Day will continue as a means of removing and properly disposing of prescribed narcotics in the community.• The Huron OPP will continue to partner with the Youth Justice Committee to deliver presentations across the county to students and parents regarding the dangers and recognition of illicit drug use in the community.• Community Safety Officer continues to deliver education and awareness to youth through the OPP KIDS Program.• Creation of a Police-Youth Advisory Council in Huron County will engage police and youth to develop strategies to combat and deter illicit drug use.• Huron-Perth Situation Table will continue to act as a means to engage community resources to provide better outcomes to community members.• The development of community stakeholder groups in Huron County to implement strategies to deter illicit drug use.	<p>No Provincial target has been determined at this time. The reporting of achievements will be based on:</p> <ul style="list-style-type: none">• Possession, trafficking and importation and production statistics (refer to pg. 7, Table 2.4)• Community Drug Action Team Statistics
Enforcement		<ul style="list-style-type: none">• The Huron OPP have a zero tolerance approach to drug enforcement.• The deployment and use of a Drug Recognition Officer in Huron County provides an effective means of identifying impaired drivers.• The effective use of the Crime Abatement Strategy in Huron County will enforce court imposed conditions on those involved in illicit drug use.	

CRIME

Reducing victimization from cyber and/or technology-enabled crime through engagement and education

Priority Description:

- The availability of internet access to all members of the community has contributed to an increasing trend of victimization of vulnerable community members.
- Elderly community members have become targets of fraud and children targeted by on-line predators.
- The increase in on-line activity by youth through a multiplicity of social media platforms has increased risk and victimization.
- Education based pieces of technology have become platforms for criminal and risk based behaviour.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• Public education messages along with media releases detailing occurrences in Huron County will continue to focus on engaging the public.• Community Safety Officer’s presentations to vulnerable groups in the community will continue.• Engaging Police Service Boards and Councils to engage the public and provide educational opportunities in the community will enhance messaging and increase awareness.• The creation of a Police-Youth Advisory Council will engage youth and allow additional outlets for police to educate and engage communities.• Police presentations in local high schools regarding the inappropriate use of technology will continue to raise awareness and educate regarding the potential use and abuse of social media.	<i>Standardized tracking and reporting for this provincial priority area is currently being explored and defined organizationally. Achievements will be based on prevention activities until further established.</i>
Enforcement		<ul style="list-style-type: none">• Incidents involving the inappropriate use of social media will be investigated thoroughly and where warranted, enforcement will take place.• Frauds will continue to be treated as serious crimes and where multi-jurisdictional connections can be made, police will work collaboratively to hold offenders accountable.	

TRAFFIC

The Big Four causal factors of fatal, personal injury and property damage collisions on roadways, waterways and trails: impaired (alcohol/drug), speeding/aggressive and inattentive/distracted driving and lack of occupant restraint and safety equipment

Local Initiatives such as:

- Through continual data analysis, local priorities through Focused Patrols are established in Huron County. An increase in distracted driving, speeding and the lack of use of occupant restraint and safety equipment form priorities for traffic engagement, education and enforcement.
- Focused Patrols around local high schools during peak times of the day deter aggressive driving and enhance community safety.
- Local high school educational based presentations at the commencement and end of school years provide opportunities for police to engage youth.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• Huron OPP continue to partner with the Coalition of Huron Injury Prevention (CHIP) to raise awareness and educate the public, but more specifically the youth in the community.• Continued use of social media to educate the public regarding road safety through Community Safety Officer's media releases.• Huron OPP will continue to be engaged with the County of Huron through the use of the Speed Spy device that allows accurate speed data analysis and efficient deployment of police resources.• A partnership with the Youth Justice Committee will continue to bring educational sessions to Huron County warning youth and parents about the dangers of impaired driving, including impaired by drug.• The establishment of a Police-Youth Advisory Council will enhance police/youth engagement providing a platform to raise awareness regarding traffic concerns.• Partnerships with Ontario Students Against Impaired Driving (OSAID) and Mothers Against Drunk Driving (MADD) will continue.• Educational partnerships and engagement to identify high volume deer related collisions will continue across Huron County.	0.5% reduction in total motor vehicle collisions by 2019. <i>* Provincial targeted outcomes are based on projections derived from trend analysis of 2012-2016 actual occurrence data</i>
	Enforcement	<ul style="list-style-type: none">• The Huron OPP Detachment will continue to be significant contributors to Provincial Traffic Safety Initiatives.• Through data analysis and the use of the Speed Spy device, policing resources will be deployed to target identified and local areas of concerns relative to speeding.• R.I.D.E. checks based on analysis will continue throughout the county to enforce impaired driving laws.	

Other Policing Priorities

Continue collaborating for an enhanced police response to persons experiencing a mental health crisis

- Hours per officer visit to a hospital and specifically an emergency room with persons suffering from mental health crisis detracts from other community safety initiatives
- Effective response to mental health issues involves a broad spectrum of community service providers, including police, working together in partnership

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• The Huron OPP continue to engage with community stakeholders in various venues relative to mental health. The Huron-Perth Situation Table is vital to connecting community members with appropriate resources.• A collaborative police-health care response model is anticipated to Huron County addressing on-going mental health crisis.• Meaningful engagement with local hospital officials to work in partnership with the police will continue to reduce mental health stigmatization and the inappropriate use of police resources.• Continued work with Canadian Mental Health Association and Choices for Change in Huron County.• The goal of establishing Transfer of Care Protocols with all hospitals in Huron County will be a continued priority.• The establishment of Project Lifesaver in Huron County will be a goal in 2017.• The continued use and analysis of the InterRai Brief Mental Health Screener form will assist in providing strategies with our various community stakeholders.	<p><i>No Provincial target has been determined at this time. The methodology and reporting on achievements will be based:</i></p> <ul style="list-style-type: none">• <i>100% compliance and accuracy of completed InterRai Brief Mental Health Screener forms(began tracking June 2014)</i>

Other Policing Priorities

Partner to reduce the impact/risk/frequency of false alarms

- False alarm calls are treated as a high risk response.
- False alarms are categorized as 'Operational 2' in billing summary – high volume, low time standard.
- Ineffective use of resources toward false alarms where police resources could be used elsewhere.
- Some alarms are predictable (businesses opening in the morning) and ultimately should be preventable.

MANAGEMENT STRATEGIES		ACTIVITIES	TARGETED OUTCOME
Prevention	Engagement / Education	<ul style="list-style-type: none">• The continuous education of the community by the police, municipalities and community groups regarding the proper use of 9-1-1.• Municipalities sending educational materials in general and systemic municipal correspondence will continue.• Communication between municipalities and business owners to be enhanced relative to using police resources to confirm false alarms during predictable times (businesses opening in the morning).• Police will connect with local Business Improvement Area entities to educate and engage regarding false alarms, owner responsibilities and the impact to municipal billing.	<i>Reporting on achievements will be based on engagement and education activities.</i>
