TOWNSHIP OF NORTH HURON

Dear Mr. Vincent and Councillors of North Huron:

The Clinton Public Hospital Foundation is currently planning its biennial Gala Event for Saturday, June 9, 2018. Once again, the Gala will take place at the Central Huron Community Complex. This year's theme will be "Vintage Circus" and will include dinner, a Live Auction, a Silent Auction and Entertainment. Funds raised from this event will be used towards the purchase of a Digital X-ray Unit for the Medical Imaging Department.

In past years, the Gala has been quite successful, having raised more than \$600,000 for the Clinton Public Hospital Foundation. In recent years, funds raised from the Gala have been used for a Refit & Refresh of the hospital, ENT equipment, enhanced cataract services for Huron/Perth and most recently, Operating Room upgrades. We are taking this opportunity to announce our event well in advance, in the hopes that you will consider supporting our Gala through financial sponsorship and in attending this fun and elegant evening.

We are very fortunate to have a great Hospital and a wonderful Health Care Team to provide our community with Health Care needs. We are always grateful for the donations received from our supporters and acknowledge that without you our foundation would not be able to fulfill its mission. We are sincerely thankful for the support that we have received from the Township of North Huron at our past Galas and have enclosed a sponsorship form for your review.

We appreciate your consideration of this request, as Clinton Public Hospital Foundation continues to support the medical needs of our community and promote interest and passion to all for this special place we all call home. We look forward to hearing back from you soon. Should you require more information, we will certainly be glad to provide it.

Sincerely
