

Ontario Crime Prevention Week – November 5-11, 2017

Community Events

If your community is planning an activity for Crime Prevention Week, we want to know about it! Local Members of Provincial Parliament (MPPs), including the Minister of Community Safety and Correctional Services recognize the importance of crime prevention and community safety programs and are interested in attending local events during Crime Prevention Week (schedules permitting). Please let us know about your upcoming activities planned for Crime Prevention Week 2017 so that we can share internally, by completing the template below and emailing it to Natalie.Brull@ontario.ca by October 27, 2017.
