Dear David,

Fire Fighters are critical to providing the support that people affected by a neuromuscular disorders need. Since 1954, the charity of choice for Canadian Fire Fighters has been Muscular Dystrophy Canada and more than 60 years later this time-honoured tradition continues. Fire Fighters not only are our most important stakeholder, but are our best champions and ambassadors.

Last year Canadian Fire Fighters raised \$3.3 million in support of those affected by neuromuscular disorders. We are especially proud of the achievements and accomplishments of the Ontario Fire Fighters. From April 1<sup>st</sup>, 2015 – March 31<sup>st</sup>, 2016, with the support of 265 Ontario Fire Departments / Associations, Ontario Fire Fighters together raised \$1,192,712. Congratulations!

Thank you Fire Department of North Huron (Wingham Station) for your dedication and commitment. Your generous gift of \$2,763.50 during this past year is helping to change the lives of those affected. We are committed to improving the quality of life for the thousands of Canadians affected. From financial assistance to emotional support, from advocacy to education, we are on the ground, giving support to everyday Canadians in whatever they need. Our research has led to advancements in treatments, and has helped Canadians with neuromuscular disorders live longer, more enriched lives.

Fire Fighter fundraising continues to be our largest and most significant source of revenue and we are extremely proud to be your partner. Muscular Dystrophy Canada and Fire Fighters have been funding research and searching for a cure for neuromuscular disorders for more than 60 years. With the help of Fire Fighters, we continue to get closer.

Together Fire Fighters are saying I Can! If we all say I Can, We Will make a difference.
