To whom it may concern;

As you are aware, Lewis Flowers was granted permission to close Frances Street on May 14, 2016. Due to inclement weather the outdoor activities had to be cancelled. We would like to rescheduled these activities on Saturday June 25 from 11:00 to 7:00 and once again ask for permission to close Frances Street from Diagonal Road to Victoria Street for the safety of the children. This time we will just be having the children's activities and all these will take place on private property.

The reason for the time change is the availability of the theatre guild coming to portray the characters.

Thank you for your consideration of this request again.

Yours truly,

Allan Dickson
