Employer ONE Survey closes 31 January

The Chamber and its members have been invited to help strengthen our community by taking part in a new annual workforce survey.

EmployerOne was designed with you in mind.

Economic development, employment, education, business and other community organizations have joined together to introduce a once-a-year survey asking you about your human resource needs and issues. This is in response to employers like you asking for fewer -- and more effective -- surveys.

"EmployerOne's purpose is simple: To understand your workforce needs and help you grow and prosper."

Be part of the solution to building our future workforce by completing the EmployerOne Survey link: <https://www.surveymonkey.com/r/FCLMPB2018>
