Re: Insurance Coverage for Santa Claus Parade

Dear Reeve Vincent and Councillors:

In late 2016 when our Lions Club was planning the Santa Claus Parade, we were advise by Township staff that we had to obtain a \$5 million dollar liability insurance policy in order to hold the parade. This had never been the case before. With the help of the BIA, we were able to obtain this coverage at the last minute through the Township insurer and the BIA paid the premium.

The situation was the same this past November when we were planning the parade and again the BIA assisted our Club and paid the premium.

Excluding the insurance premium, it costs our Club over \$871.70 to host the parade. Our Club feels that the least the Township could do to support this community activity is to pay the insurance premium and we hereby formally request you to do so for 2018 and in the future.

Should you wish to discuss this matter, please do not hesitate to contact the undersigned.

Yours in Community Service,

LIONS CLUB OF WINGHAM
