### **RECOMMENDATION:**

THAT the Council of the Township of North Huron hereby receive the report Building Department 2017 Year End Report for information purposes.

### **EXECUTIVE SUMMARY**

The Building Department's main objective is to provide the best professional service to administer and enforce the Ontario Building Code. Through the examination of plans, issuance of building permits, and performing inspections, we ensure compliance with building standards of the Ontario Building Code and ensure health and safety, fire protection and structural sufficiency in all buildings in the Township.

The CBO has provided Council with the following chart, which provides details on the last five years based on types of construction and yearly comparisons.

The permit types below are comprised of;

**Demolition** .... includes any type of building being demolished

**Farm Related** ... includes all new farm buildings and additions, steel grain bins, silos, liquid & dry manure storages etc.

**Com./Ind./Inst.** ... all Commercial, Industrial & Institutional buildings and additions including renovations and plumbing.

**Residential Related** ... includes attached garages, detached garages, storage sheds, swimming pools, plumbing, renovations and repairs etc.

**New Residential** ... includes all new single detached homes, semi-detached and multi units. (tri-plex or quad)

**Sewage Systems** ... all Class 2, 3, 4, and 5 septic systems, septic tank replacements and septic bed replacement and repairs.
