

BOARD REPORT MARCH 2018

CALLS FOR SERVICE

During the month of February, 2018 Wingham Police responded to 117 calls for service one of those calls was assisting the OPP in their area. During the same period in 2017, we had 110 calls. Attached is the crime statistics summary for January.

BUILDING PROBLEMS

Still no word on the roof repair.

POLICE STATION CLEANING

Cleaning of the police station by facilities staff has started. We are very pleased with the service and feel that a much better job is being done.

ANISHINABEK POLICE

I have been contacted by the Anishinabek Police to meet with them and discuss our current policing model to determine if it is something that can be adapted to First Nations Policing. This meeting is to take place prior to the PSB meeting and the board can be updated at our meeting.

OACP

On March 8th, I attended the Zone 5 OACP meeting. Nothing new at this time. The Major Case Management review is underway and if the board so desires, our advisor will attend a board meeting prior to our part of the inspection to do a pre brief with all of the board. This briefing is usually done the first day of the review but they have found that more board members are available at a regular meeting.
