SUBJECT: **Follow Up: New Ontario Major Case Management
Manual**

DATE OF ISSUE:	March 1, 2018
CLASSIFICATION:	Directive
RETENTION:	Indefinite
INDEX NO.:	18-0018
PRIORITY:	High

On Thursday, February 22nd, 2018 the new Ontario Major Case Management (MCM) Manual was circulated under All Chiefs Memo (ACM), index number 18-0015. Following its release, formatting issues in the English version of the Manual were uncovered and have been corrected.

Please disregard the Manual distributed in ACM 18-0015. Attached is the revised MCM Manual for your immediate use.

This revised Manual is named "2017 Ontario MCM Manual" to assist you in distinguishing it from the one you received on February 22nd, which was named "2017 Ontario Major Case Management Manual".

Although the French version of the Manual that was distributed on February 22nd did not experience any formatting issues, it is being included again under this Memo for your convenience.

A draft version, "MCM Manual - Tracked Changes", is also being included to assist you in easily identifying the changes (in red) in the new Manual.

Services are also reminded that the Ministry's MCM Inspection that was announced under ACM 17-0078 will only be examining major cases that preceded the release and changes included in this new Manual.

If you have any questions please contact Detective Inspector Jacques Bois at (705) 725-4566 or by email at Jacques.Bois@opp.ca, or Staff Sergeant Robert Gravel, Serial Predator Crime Investigations Coordinator at (705) 896-3728 or by email at Rob.Gravel@ontario.ca.

Please accept our apologies for any inconvenience that the issuance of this revised Manual may cause.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Beckett', with a stylized flourish at the end.
