The Parade route to begin by marshalling in the parking lot across from Howson's Mills at the corner of Mill Street and Westmoreland Street. The parade will then travel:

West on Wellington Street to the Fairgrounds.

The total parade distance will 650m.

The BIA and the Village of Blyth look forward to working with Council, the County, Public Works, and the Fire Department to ensure this is an excellent community event for involved, celebrating the holidays and supporting the businesses in our town.

Please advise us on next steps necessary,
