

North Huron Council

Dear Reeve Vincent, Deputy Reeve Campbell and the Councillors of North Huron,

---

Request to close Queen Street, Blyth on July 23, 2016 for festival usage

---

As you know the Blyth Street Festival is being planned for July 23, 2016. The festival is an opportunity to highlight the plethora of talent in our area and showcase many of the wonderful things that make us proud of our rural hometown. There will be food vendors, local musicians and entertainment. It is the intent of this BBIA sponsored event to encourage people to visit Blyth and spend more time on our beautiful main street.

In order to accommodate the Street Festival the Blyth BIA and the festival committee request the closure of Queen Street from Dinsley Street to Welling Street for the duration of the event (10 am – 5:30 pm) on July 23, 2016. You will note that this varies from previous years. The main stage will be moved to the car wash on Queen Street, farther from Memoria Hall to limit the chance of noise bleed while the festival is on stage or in rehearsal.

The volunteer committee of the Blyth Street Festival appreciates your consideration of the preceding request and thanks you in advance for your continued support of the Blyth BIA and the Blyth Street Festival.

Sincerely,

A handwritten signature in cursive script that reads "Lorna Fraser".

Lorna Fraser, Chair  
Blyth Street Festival
