To the Council & Staff of the Township of North Huron,

As the holiday season quickly approaches, it is important to take this time to reflect on the past year and appreciate all that we have been able to accomplish during this difficult time.

With the pandemic continuing to impact the labour market and the economy as a whole, many families are in increasing need of support during this season.

In the spirit of giving back to the communities where we work, we have again decided to support your community by donating \$100.00 to the North Huron Community Food Share.

Happy Holidays,

DIETRICH ENGINEERING LIMITED
