Dear Reeve Bailey and Council,

The Clinton Public Hospital Foundation Board of Directors and Fundraising Committee have begun planning for the 2022 Biennial Gala Event, which will take place on Saturday, June 11th, at the Central Huron Community Complex Libro Hall. This year's event theme is "Canada Eh! Red Dress, Black Tie", and we look forward to having Senator Robert Black joining as our Master of Ceremonies. The evening includes dinner, a live auction, a raffle and social. Funds raised from this event will be used towards the purchase of new ultrasound equipment for Clinton Public Hospital.

In past years, the Gala has been very successful in raising necessary funds for capital equipment and projects at the Clinton Public Hospital. In recent years, funds raised from the Gala have been used towards a Refit & Refresh of the hospital, ENT equipment, enhanced cataract services for Huron/Perth, Operating Room upgrades and most recently a new digital X-Ray Unit and Suite. We are taking this opportunity to ask you to consider supporting our Gala through financial sponsorship, donation of an auction/raffle item and/or by purchasing a ticket to attend this fun and elegant evening event.

We are very fortunate to have a great hospital and a wonderful healthcare team to provide our community with healthcare needs. We are always grateful for the donations received from our supporters and acknowledge that without you, our foundation would not be able to fulfill its mission. We are sincerely grateful for the support that we have received at our past Galas.

We appreciate your consideration of this request, as Clinton Public Hospital Foundation continues to support the medical needs of our community and promote interest and passion to all for this special place we all call home. We look forward to hearing back from you soon. Should you require more information, we will certainly be glad to provide it.

Kindest Regards,

Darlene McCowan
