Subject: : PROPOSED OFFICIAL PLAN AMENDMENT AND ZONING BY-LAWS AMENDMENT AFFECTING LOTS 367-370(166 John St. W.) FORMER TRAILER PARK SITE WINGHAM

Good afternoon Carson,

As previously mentioned at the last council meeting my main concern with the proposed build the the height as it directly affects my privacy. It seems that if we change all the by laws that we are choosing the profit of the developer over the current taxpayers.

Thank you ,
