Dear Reeve Neil Vincent and Council:

Re: Conservation Authorities Act: Proposed Priorities for Renewal

I am writing to council at this time to advise you that the Ministry of Natural Resources and Forestry has released a discussion paper entitled "Conserving Our Future: Proposed Priorities for Renewal" for comment. The discussion paper outlines the Ministry of Natural Resources and Forestry's priorities for updating the Conservation Authorities Act.

I would encourage council to submit their own comments on the discussion paper or to consider endorsing the comments submitted by MVCA.

A copy of MVCA's response to the discussion paper along with a summary of Conservation Ontario's response is enclosed for your information.

The deadline for commenting on the Ministry's discussion paper is September 9, 2016.

If you have any questions regarding MVCA's response, please feel free to contact your representative on the board.

Sincerely

A handwritten signature in black ink that reads 'Art Versteeg'.
