Dear Ms. White:

Re: 2016 General Levy - Maitland Valley Conservation Authority

At the Board of Directors' Meeting of the Maitland Valley Conservation Authority held on March 16th, 2016, the Conservation Authority established a general levy of \$1,300,049.00.

In accordance with Section 27 of the Conservation Authorities Act, the levies for each municipality have been apportioned on the basis of the discounted equalized assessment figures supplied to us by the Province of Ontario. An invoice is enclosed in the amount of \$82,323.00, your municipality's portion as shown in the schedule of levies. If further information concerning your apportionment is required, please feel free to contact me, or contact your Conservation Authority representative.

Please find attached a copy of the MVCA's Auditor's Report and Financial Statements for 2015.

We thank you for your continued support in 2015 and look forward to working with you in 2016.

Yours sincerely,

MAITLAND VALLEY CONSERVATION AUTHORITY
