

North Huron Council

April 18th 2016

This has not ended up like it started, it became apparent that we have a lot of unhappy people concerning our roads in North Huron "East Wawanosh Ward"

"We the undersigned"

Complaints - Summer: dust
Winter: Poor snow removal especially corners
Spring: Gravel on lawns and ditches
All Year Long: Pot holes (huge)

Requests - Our share of our taxes back on our roads
- Road employees accountable for their workmanship.
